Zion will be established see Moses 7: A knowledge of the signs of the times can help us turn to the Lord and prepare ourselves for His Second Coming. Supporting Statements The signs of the times in our day are events that were prophesied to take place in the latter days before the Second Coming of Christ. They are omens, prodigies, wonders, and marvels of abnormal occurrence. Time means the age, era, period, or dispensation involved. McConkie, Mormon Doctrine, " The gospel has been restored. The Church has been fully organized. The priesthood has been conferred upon man. The various dispensations from the beginning have been revealed and their keys and authorities given to the Church. Israel has been and is being gathered to the land of Zion. The Jews are returning to Jerusalem. The gospel is being preached in all the world as a witness to every nation. Temples are being built, and ordinance work for the dead, as well as for the living, is performed in them. The hearts of the children have turned to their fathers, and the children are seeking after their dead. The covenants which the Lord promised to make with Israel in the latter days have been revealed, and thousands of gathered Israel have entered into them. The wicked must be destroyed; peace must replace war; and the evil imaginations in the hearts of men must give way to desires for righteousness. How shall this be brought to pass? There are two ways: The wicked shall slay the wicked, as did the Nephites and the Lamanites in the day of the extinction of the Nephites as a nation. Plagues will sweep the earth, as the Black Death ravaged Asia and Europe in the fourteenth century. The carcasses of the dead will be stacked in uncounted numbers to rot and decay and fill the earth with stench. What matters the destruction of a few railway cars? You will hear of magnificent cities, now idolized by the people, sinking in the earth, entombing the inhabitants. The sea will heave itself beyond its bounds, engulfing mighty cities. Those that involve chaos and commotion and distress of nations will continue in the future with even greater destructive force. Wars will get worse. Moments of armistice and peace will be less stable. Viewed in the perspective of years, all worldly things will degenerate. There will be an increasing polarization of views. There will be more apostasy from the Church, more summer saints and sunshine patriots who will be won over to the cause of the adversary. Those who support the kingdom because of the loaves and the fishes will find other bread to eat. It will take some time to rebuild the walls of the city and the temple, and etc. There will be wars and rumors of wars, signs in the heavens above and on the earth beneath, the sun turned into darkness and the moon to blood, earthquakes in divers places, the seas heaving beyond their bounds; then will appear one grand sign of the Son of Man in heaven. But what will the world do? They will say it is a planet, a comet, etc. One pestilence will desolate after another. We shall soon have war and bloodshed. The moon will be turned into blood. I testify of these things, and that the coming of the Son of Man is nigh, even at your doors. Possess it, own it, make it yours by both believing it and living it. It is not sufficient merely to know what the scripture says. One must treasure it up, meaning take it into his possession so affirmatively that it becomes a part of his very being; as a consequence, in the illustration given, one actually receives the companionship of the Spirit. The day is fixed and the hour is set. The signs have been, are now, and will hereafter be shown forth. Some of these have been publicized as though they were necessary to wake up the world to the horrors about to overtake us. Many of these are from sources upon which there cannot be unquestioned reliance. Lee, in Conference Report, Oct.

Remember, these signs are to intensify during the last days, and that is exactly what is happening with earthquakes. Take a look at the following information and judge for yourself. Big earthquakes have doubled in compared to each year since source. We need to heed the signs and get ready! Please see these amazing videos showing a graphical look into the earthquakes around the world. Christ said that there would be earthquakes in "diverse" places, and these amazing videos certainly fulfill that prophecy. But I wanted to separate it to show you that this sign alone reveals we are living in the last days. God tells Daniel to seal the book. In other words, to seal the prophecies contained within it. And that at the "time of the end", the prophecies would be unsealed and we would know what they mean. But taking all the other signs together will show us how close we are to the second coming of Christ Jesus, the Son of the living God, and the end of the world. With false prophets like the Pope, Muhammad, Krishna, Buddha, etc. We also have many false prophets and leaders in "Christian" churches, like the the prosperity gospel preachers and people like Oprah Winfrey leading these new age movements. People like Rick Warren who preach just enough truth to lull the unlearned mind into following them into apostasy! Yes, this sign has certainly been fulfilled. Please prayerfully seek the truth yourself, by studying the Word of God in the Bible. There is an ecumenical movement today which we were told about in end times prophecy that is uniting the world in an effort to bring peace. Churches and faiths and political leaders are uniting like never before in an effort to bring peace to this world. When they do declare "peace and safety" then destruction will come upon them 1 Thessalonians 5: For nation shall rise against nation and kingdom against kingdom. During the 20th century alone, more people have been killed as a result of war than all previous centuries combined. Today, there are conflicts and wars raging all around the world Source. And in , armed conflicts greatly increased according to this report. So is war a sign for today? Of course is it. All signs need to be fulfilled. Thousands die everyday of starvation and according to this news article global starvation is spreading and increasing causing 1 Billion people to go hungry around the world. Not only that, we have the likes of Monsanto who are poisoning the crops that are left! The sad thing about this sign, is that the amount of food that is wasted in the developed world could feed the hungry! So think about those in need next time you are about to fill up your shopping trolley with food that will be wasted. The Bible teaches us that we need to be helping the poor and needy, by giving them of our bread and clothing. And then shall many be offended, and shall betray one another, and shall hate one another. And once the mark of the beast is enforced soon, then this persecution will spread to the Western World. Is this Biblical sign fulfilled in our day? Just go back 50 years and you would not see half the sin and wickedness that we see in people today. Look at what is portrayed on our TV screens and in the movies and video games! Violence, lust and all manner of evil. This is one of the major end of time signs. And do you know the worst thing about "sin" today? Through movies, television programs, radio, magazines, comics, you name it! The majority of people in this world today, including professed Christians are happily entertained by the very thing that put the Son of God on the cross! And please note, I am not just talking about the sins of non Christians. A sure sign that we are living in the end times is the fact that the Christian churches are full of unconverted, sin loving people! Yes, iniquity has abounded! A great majority of professing Christians these days do not study the Bible much. Let me give you an example. God revealed a great truth to the world about who the antichrist was. All of the reformers knew the truth about the Roman Catholic Church being the Bible antichrist. But as time has gone on and false teachers have crept into the churches, the majority of Protestants now reject this great truth that God opened up to the early Protestant leaders, and they now EMBRACE that antichrist church and have become a part of Babylon! The above end time sign from Timothy also says that they would be turned unto fables. Let me give you a few fables that the majority of Christians have been turned to. Looking to Israel for fulfillment

of end times prophecy. Mark of the beast being a microchip. The Battle of Armageddon being a physical battle. And there are many more. Please see our prophecy site for the truth on these topics. Great and precious truths were opened to the people of the Protestant reformation, but the reformation failed because the people did not continue seeking the truth. Although God does have a remnant church with the full gospel truth, we now live in a day where the majority have turned away from the truth and been turned to fables. This sign of the end times has certainly been fulfilled in our generation. And what about man destroying the earth? Well, all throughout history, the most dangerous weapon that man had was a bow and arrow. Man could not do much damage to the earth. But now just look at what man can do and IS doing to the earth through industry, destructive weapons of war, chemicals, oil exploration, depletion of the forests and so on. Just look at the massive oil spills that have happened during the past 30 years around the world. We have been living in the time of judgment since and once the judgment has ended, THEN Christ Jesus will return to "reward" the saints and "destroy those who destroy the earth". So is this being fulfilled today as one of the end time signs? We have never had the resources available before to reach the world the way we can now. This ministry alone receives thousands of visits everyday from people from all over the world seeking the truth. Had no more rapid means of conveyance and communication been found than existed a century ago, it would have been impossible to communicate such a message to one generation. But such a work must be done for the last generation. Then the last generation everywhere must hear the message, and this calls for rapid transit, and lightning couriers to bear the tidings to various parts of the earth. And what do we have now for "rapid transit" of the gospel message around the world? The internet and satellite! But what about all the different languages you may say? Well, ministries like Faith Comes by Hearing provides a free audio app that shares the Bible in languages! And that number is growing all the time. So yes, the languages of the world are being reached with the Word of God. For more end time signs and even more evidence that we are living in the last days, please see End of World Signs. I hope that you can see from the above Biblical signs of the end times that our generation is truly living in the last days, nearing the second coming of Christ Jesus. We are living in a time like no other. The world is being turned upside down and we need to get ready! If you are not a Christian and you realize that we are living in the end times and are wondering what you need to do, then please click here to see what you must do to be saved. Give your heart to Christ Jesus. He is about to return to bring judgment upon the whole world. Verily I say unto you, this generation shall not pass, till all these things be fulfilled.

### 3: Bible Signs of the End Times - Biblical Last Days

*Now birth pangs speak of frequency and intensity. And as a woman gets nearer the birth, the "pangs" become more frequent and intense. This is true also for the signs of the end times. These signs began not long after Jesus' day, and as Jesus quoted, the end would not yet be, because this was just the beginning of sorrows.*

From the July Signs When you think of Pentecostals, what doctrine pops into your mind? Speaking in tongues, right? When someone mentions Baptists, you probably think of baptism by immersion. When you hear the name Catholics, you may think of the virgin Mary or the Mass. Denominations are generally known for their distinct teachings or practices. So when you hear the name Seventh-day Adventist, what teaching pops into your mind? Of course, most Christians believe in keeping the Sabbath. However, Adventists are somewhat unique in that they celebrate the Sabbath on the seventh day of the week, Saturday, rather than on Sunday, as most other Christians do. How could so many people be wrong and so few be right? So what convinced me to keep the Sabbath on the seventh day? One important factor was that Christians seemed to disagree on the reasons for keeping Sunday! Examining the evidence The Sabbath is Jewish. Some people claim that the seventh-day Sabbath is strictly a Jewish day. How many Jews were there in the world back then? So God made the Sabbath for the entire human race. God made the Sabbath for everyone, not just for the Jews. Change of the calendar. Other Christians protest that the calendar has been changed so many times we can? However, these changes never affected the order for days of the week, only the numbering of the days of the month. The calendar was changed, but the weekly cycle wasn't? Furthermore, Jews have been keeping the Sabbath on the seventh day for thousands of years. If the Jews have the wrong Sabbath, then everyone else has the wrong Sunday, because according to the Bible, Jesus rose on the first day of the week, the day after the Sabbath see Matthew In Honor of the Resurrection. And that brings up another reason many people offer for observing Sunday. Some people point to the fact that the disciples met together on Resurrection Sunday, which is true. They were huddled together? No more Ten Commandments. Then there are those who claim that they observe Sunday instead of the Sabbath because the Ten Commandments have been abolished. I find that reason to be quite strange today, because I? And now many of these very same Christians are lobbying to have the Ten Commandments posted in public places all over the United States in order to get America back to its moral roots! Paul was a firm believer in the Ten Commandments. I would not have known what sin was except through the law? And James called the Ten Commandments? Thus, according to Paul, God still wants Christians to keep the Ten Commandments, including the fourth. The New Testament Church. Some people suggest that the New Testament church changed the Sabbath to Sunday. Six of the eight Sunday references simply point to Christ? That leaves two references to Sunday elsewhere. The first one is in Acts Some people claim that this shows a trend toward Sunday observance in the New Testament. But an examination of the facts explains why Luke, the author of Acts, called attention to this gathering on the first day of the week. It was an all-night meeting, because Paul was leaving the next day. Even back then, I don't? So, far from indicating a trend toward Sunday observance, Luke appears to have called attention to this meeting being held on the first day of the week because an all-night service was so unusual. The second New Testament reference to the first day of the week apart from those in the Resurrection story is found in 1 Corinthians Paul had asked all the churches in Greece and Asia Minor to collect a famine-relief offering for the Jewish Christians in Judea. He then made a tour of all these churches, picking up their contributions, which he delivered in person to the church leaders in Jerusalem. Now about the collection for God? Do what I told the Galatian churches to do. On the first day of every week, each one of you should set aside a sum of money in keeping with his income, saving it up, so that when I come no collections will have to be made.? Advocates of Sunday suggest that Paul was referring to the collection of an offering at church. However, the King James Version says,? Let every one of you lay by him in store? Evaluating the evidence When I looked at all the evidence, it became clear to me that, while no one is saved by keeping the Ten Commandments, that code of laws is still God? The Bible says that Jesus Christ is? So I decided to keep the Sabbath the way the Bible says, not as a duty, but because I want to please my heavenly Father. If you love me, you will obey what I command?

**Tweet Signs of the End Times** The signs of the end times is something that all end time prophecy students look for to find out how close we are to the second coming of Christ Jesus. Even many non believers are looking into this issue now, which shows there are significant changes going on in our world today. Many people are wondering what is happening with all these disasters, wars, worldwide economic woes, animal deaths and a general degradation in society. And the Bible has the answer. They are the signs that the end of the world as we know it is close. For a more thorough look into the signs of the times, see our website And the Bible signs have now been fulfilled like never before in all of history, showing we are the final generation before the return of Christ Jesus. And with the other end time signs pages available on this site, you will see that without doubt we are living in the last days. There will be pestilence, plague and famine. The waters of the deep will overflow their boundaries. Property and life will be destroyed by fire and flood. Thou sawest till that a stone was cut out without hands, which smote the image upon his feet. You can see from the picture the fulfillment of this prophecy. And where are we today? We are in the feet of the image. Amongst the divided kingdoms of the world. So this prophecy alone tells us that this generation is living in the "end times". And when did the "age" of the feet begin? And as this image confirms, this is the LAST "age" before the end. So this world has been in the "last age" for over years! We have been in the last age for over years! Conflict and war rages across the globe. Disaster after disaster unfolds upon the nations. Economies are collapsing around the world. Animal life is diseased and dying. And wickedness and sin is rampant. Do you have eyes to see what is happening? God is giving us plenty of warning! We are told in this Bible verse that during the last days the beast system would enforce the world to take the mark of the beast. Now carefully think about this one. So what needs to happen for this prophecy to be fulfilled, to stop people from "buying and selling"? We need to get rid of cash right? And replace it with an electronic form of payment. It would then be easy to press a button and freeze the finances of any person who refuses to go along with the beast. Has this been possible in the past? No, because we did not have the technology to do it. But now we do have the technology and the people in control are actively pushing for this to happen today. This is a sure sign of the end times that we live in. The Perilous times are here, and will continue to get worse. There are protests, riots and uprisings all over the world today. The economy worldwide is in trouble and everything just seems ready to explode! And this plays into the hands of the beast power who can bring the "solution" to the troubles of this world. But that solution will be a deception. This applies to the end time signs and is an amazing one that many people miss. What could man do to the earth throughout history? Not much, other than sling a few arrows and rocks and dig the ground with a shovel. But what does man do to the earth today? We destroy with great weapons of war and massive industry. Pollute the air with chemicals. Pollute the waters with oil and other toxins. Destroy the forests and so on. And as you will see from the list of mass animal deaths , the animals are dying in great numbers because of it. There is no other time in history where mankind was destroying the earth like we are today. This is a sure sign of the times. Sign - False Christs and Prophets Matthew With this one, we tend to focus on the "false Christs" and forget that the sign also includes false prophets and preachers. Sure, we have certainly had many characters claiming to either be Christ, or a special "chosen one", people like Jim Jones and David Koresh. But we now also have a world full of false prophets, preachers and movements like never before within the churches that preach error and deceive millions of people. For example, the prosperity gospel preachers like Joel Osteen and Creflo Dollar amongst many others who focus entirely on material wealth and prosperity and do not convict people of sin. There is also the seeker sensitive, emerging church movement with preachers like Rick Warren and Bill Hybels who deceive people into uniting with the world and uniting with other faiths, when the Word of God expressly tells us to stay separate. We need to test everyone against the Word of God to see if what they are preaching is the truth. Now does this mean we cannot trust anyone who claims to be a prophet of God? No, we just need to test what they say against the

Word. See Ellen White for an example of a true prophet. Sign - Famine Matthew What makes this even more sad is that the amount of food that is wasted by the rest of us could feed these poor people who are starving to death. Sign - Earthquakes in Diverse Places Matthew The scoffers love to bash this one, but from the evidence available, we can see that earthquakes are increasing in frequency, and also appearing in more "diverse places". Take a look at the following information and judge for yourself. See the following amazing videos showing a graphical look at earthquakes around the globe, - Jesus Christ said that there would be earthquakes in "diverse" places, and that prophecy is certainly fulfilled in these amazing videos. And then shall many be offended, and shall betray one another, and shall hate one another. Christians are being persecuted and killed all over the world for their faith in Christ Jesus, especially in places like China, Russia, Africa, Iraq, Israel, etc. And soon this persecution will rise up in the western world when the mark of the beast is enforced. The Roman Catholic Church killed tens of millions of Christians during the dark ages between - AD, and this evil will rise again just before Jesus returns. Sign - Sinful Society Matthew This world is truly aching under the burden of sin, and God will not let it carry on for much longer. The love of many have certainly "waxed cold" and the fact that many professing Christians believe that the ten commandments are no longer binding, then naturally sin is going to increase. The amount of sin we allow into our homes today through television is staggering! And what do we call it? It was sin that put our Lord Jesus Christ on the cross and we now call it entertainment today. Look at how society was just 50 or so years ago. People could leave their houses unlocked without fear of a thief entering the house. People dressed more modestly and women were not dressed in a "sensual" way. People were a lot more "pious" and caring and courteous towards one another. There was far more caution as to what was allowed to be shown on television and in films. Society as a whole was a lot more stable. But today, society has degraded to an all time low. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: Again, take a look around the world today and you will that this Bible verse above concerning the end times is being fulfilled. This is a perfect description of the church today. The majority of professing Christians today are more interested in the TV, sports, partying, socializing, playing games etc, than they are in following Christ Jesus. Sign - War and Rumours of War Matthew For nation shall rise against nation and kingdom against kingdom. For instance, over the past century there has been well over wars and conflicts that has brought about the death of well over million people. Sign - Knowledge Shall be Increased Daniel This Bible verse concerning the end times can have two applications. The first is applied to Biblical knowledge concerning Bible prophecy. Take a look at the sanctuary message in the Bible for an eye opening study.

### 5: What signs indicate that the end times are approaching?

*The Signs of the Times, the New Ark, and the Coming Kingdom of the Divine Will: God's Plan for Victory and Peace Jan 24,*

When the religious leaders demanded a miracle, Jesus replied that it was a wicked and spiritually unfaithful generation that insisted on looking for God in the abnormal instead of discerning the signs of the times. What did Jesus mean when He told them they could not discern the signs of the times Matthew To answer this question, we need to see what those leaders were asking Jesus. The Jews were not asking for just another miracle, since they had already persuaded themselves that at least some of those Jesus had performed were of demonic agency Given that Jesus performed so many miracles throughout Galilee and Judea, it is very likely that these religious teachers would have heard many convincing testimonies about the supernatural miracles Jesus had already performed Matthew 4: Still, these men apparently wanted to see a showy miracle to satisfy their curiosity. Why a sign from heaven? What was significant about a sign from God? In a number of cases in the Old Testament God sent a miraculous sign that served as a witness that He was directly involved in some upcoming event Judges 6: And another was when Isaiah pronounced to King Hezekiah that God was going to turn back the shadow 10 degrees on the sundial of Ahaz Isaiah These are just a few of the signs God performed through the prophets. You know how to discern the face of the sky, but you cannot discern the signs of the times. Jesus was making the point that the religious leaders of His day, who were representative of their whole generation, had a pervading spirit of unbelief as to whether He was the Messiah that the prophets had pointed to. Again, there was ample testimony given by the prophets Luke Earlier, Jesus had likewise announced that His resurrection would come three days after His death John 2: This miraculous sign would prove that He, too, was sent by God. And human thinking will not have changed at the end of the age. Jesus told His disciples that wickedness would increase; and as a result, the love of many would grow cold Matthew Peter reminds us that these false teachers willfully forget how God performed mighty deeds. Jesus went on to describe an outline of events that would give clear evidence of when the end of the age was near verses A state of readiness To the church at Thessalonica Paul wrote: For you yourselves know perfectly that the day of the Lord so comes as a thief in the night. And they shall not escape. You are all sons of light and sons of the day. Encouraging the brethren at Ephesus and us today, Paul wrote: This magazine will help you discern the times and know the difference between good and evil in a world that becomes ever more confused. At the same time God will have two witnesses who will also be able to produce miraculous signs Revelation Will you be able to discern the difference?

*"But mark this: There will be terrible times in the last days. People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God"having a form of godliness but denying its power.*
