

SPORTS DIRECT JOB APPLICATION FORM pdf

1: Sports Direct Job Application Form - www.enganchecubano.com

Sports Direct is a thriving company that is not just growing itself but allows their employees to develop at the same time. Being part of this department is cracking. People always say that our stores come out of the blue, but it is not like that, there is more here than meets the eye.

As of the third quarter of , the company has 1, locations with , employees. Most of the stores are primarily in the Mid-Atlantic and Midwest regions. Employee benefits are unique. All they need to is to enrol and get started. They get to interact with all types of people, helping them with their needs. The company rewards them with good salaries, opportunities and benefits, such as disability assistance. Age requirement depends on the job position one is applying for. Some of the entry-level positions require at least 18 years of age. Some may require at least 21 years old. There are many career paths one can choose from to learn and further develop skills. Career possibilities in the company include retail store positions , logistics and management. All these come with nice salaries and benefits. Part-Time Early morning Freight-Associate: The core responsibility of this position is proper and careful unloading, processing and stocking all incoming freight. All freight is handled, from stockroom areas to sales floor. Receipts of supplies and fixtures are processed and prepared, too. Part-Time Shoes Sales Specialist: The Shoe Specialist greets customers and offer assistance as needed. Duties and responsibilities must be delivered in accordance to the company standards for department merchandising and operational functions. This position requires a good knowledge on jewellery. This Consultant will be helping customers find the right jewellery for various occasions. There is a direct interaction with the customer that must be done in a courteous, professional, helpful attitude, with good knowledge about the merchandise. The Beauty Advisor builds and strengthens customer loyalty by looking for the right solutions based on customer needs. Performing these functions require a positive, friendly, helpful and engaging attitude, with passion for beauty and customer service. This will need a good knowledge on a wide range of beauty products. This position ensures the delivery of satisfactory customer assistance. The supervisor also greets and offers assistance, as needed, to all customers. Department operational and merchandising functions must checked and in accordance to company standards. Other duties include directing the workflow to orients and sales associates. New Sales Associates are trained by this department officer. Full-Time Operations Area Supervisor: Returns to vendors if any and transfers of freight to other store locations are handled and managed by this position as well. This entry level management position undergoes a week intensive, structured training program in preparation for Assistant Store Manager Position. After the training, trainees will be assigned to different stores near their metro. Hence, all trainees must be willing to be relocated after the training program. Safety of associates and protection of the building are all under the care of the loss prevention guard. Front desk duties, answering calls and dealing courteously with visitors are also part of this important entry-level position. Full-Time Loss Prevention Supervisor: This is a key position for developing and implementing store awareness programs. This position is responsible for addressing safety, inventory, theft and operational controls. Product protection strategies, deterrence programs and awareness are administered as well. Part-Time Distribution Center Associate: This Associate works on shifts, with required availability on Fridays and Mondays. The Associate is responsible for the merchandise. Preparation, processing and movement of the merchandise must be according to established company guidelines to meet location standards. Duties include packing, picking, order consolidation, re-warehousing, receiving, shipping, replenishment and inventorying. Go to the Careers page and browse through the jobs. For targeted job searches, type the area interested in the appropriate field. Online application is most preferred. The submitted resume and application forms are sent to the store that posted that particular job. The store will then contact the applicant to schedule an interview. These are the required fields and must contain accurate information. A resume will also be asked. Submit one that contains brief but vital information about skills that can be applied for the job. Be truthful with all information. For the interview, look and act professionally. Remember, this company is known for its excellent line of clothes and accessories. Associates must reflect that quality with the way they dress, move and speak. It is not all about retail, sales and profits. Their purpose is to empower

and inspire families and individuals and help them lead fulfilled lives. The company is often in the news for its innovative drives. It has many technological innovations that make shopping easier and more rewarding. The company is among the leaders in the industry. It gives back to the community in many ways. This encompasses donations to kids, partnering with hospitals, engaging in environmental initiatives and a volunteer program. Customers can help out, too.
