**Background**[ edit ] In a letter White wrote in response to inquiries from readers, he described how he came to conceive of *Stuart Little*: Day liked the stories and encouraged White not to neglect them, but neither Oxford University Press nor Viking Press was interested in the stories, [4] and White did not immediately develop them further. Around that time, White wrote to James Thurber that he was "about half done" with the book; however, he made little progress with it until the winter of 1937. Margalo is taken in and spends the winter in the family, where she befriends Stuart; Stuart in turn protects her from Snowbell. The bird repays his kindness by saving Stuart when he is trapped in a garbage can and shipped out to sea for disposal. In the spring, when she is set free from the house, she continues to visit Stuart, infuriating Snowbell, who now finds himself with two small animals he is not allowed to eat. Margalo is warned in advance and flees in the middle of the night. Stuart is heartbroken but becomes determined to find her. He first goes to the local dentist, who is a friend of the Little family. The dentist suggests that Margalo may have flown to Connecticut, and loans Stuart his motorized, gas-powered toy car for the long journey. Stuart travels from adventure to adventure and finds himself in the town of Ames Crossing, where he takes work as a substitute teacher. There he learns that living in Ames Crossing is a fifteen-year-old girl named Harriet Ames who is the same size as Stuart but looks like a human being. Stuart purchases a miniature souvenir canoe, prepping it to make it comfortable and waterproof, and invites Harriet out on a boating date. However, when the two arrive for the date, the canoe has been discovered and played with by local children, who have ruined it. Stuart decides to leave Ames Crossing and continue on his quest to find Margalo. He sets off once more in his toy car, positive that he will see her again.

**Reception**[ edit ] Lucien Agosta, in his overview of the critical reception of the book, notes that "Critical reactions to *Stuart Little* have varied from disapprobation to unqualified admiration since the book was published in 1937, though generally it has been well received. White has a tendency to write amusing scenes instead of telling a story. The complete recording was later released on audio cassette by Bantam Audio and on CD by Listening Library , and is now available from Audible. *Stuart Little* film series The book was very loosely adapted into a film of the same name , which combined live-action with computer animation. A sequel to the first film, *Stuart Little 2* , was truer to the book. *Call of the Wild* was released direct-to-video in 1999. This film was entirely computer-animated, and its plot was not derived from the book. All three films feature Hugh Laurie as Mr. Little, Geena Davis as Mrs. Little, and Michael J. Fox as the voice of Stuart Little. Douglas Wick , the producer of the original films will produce the remake. An animated television series, *Stuart Little: The Animated Series* was produced in 2005.

**Video games**[ edit ] Three video games based on *Stuart Little* were produced, but were mostly based off the film adaptations of the same name. And a third game entitled *Stuart Little 3: Big Photo Adventure* was released exclusively for the PlayStation 2 in 2000, although it bears no resemblance to the film.

He is four and a half inches tall. He used to live in an orphanage with lots of other kids. Keeper took good care of all the kids there. She tried to find the perfect family and home for each child, including Stuart. Little visited the orphanage. There were so many kids to choose from, but Mr. Little said that they looked at Stuart and just knew. Just like that, Stuart became Stuart Little. His parents took him to the most wonderful place in the world- his new home! And neither did Snowbell- the family cat. As soon as Stuart walked through the door, Snowbell tried to eat him up! Little tried to make Stuart feel at home. His room was all ready and was waiting for him. Everything was just a little bit big for a mouse which made things very tricky. One morning, George accidentally threw Stuart Little down the laundry chute with his pajamas. Stuart ended up in the washing machine. Little came at the right time and rescued him. Stuart Little was very wet and very clean mouse. Little by little, Stuart started to really feel like one of the family. And what a family it is! All of the little relatives came to the party to meet Stuart. It was a fairy tale come true. Everything was going well except George! But, he did like to build miniature models and he had created an amazing miniature world in the basement. There was a train set, a Western Town, a miniature car and an incredible model sailboat called the Wasp. George let Stuart help him finish building the boat and they entered it in the Central Park Boat Race. Stuart sailed the Wasp and won the race. George had never been prouder of his new brother! Now, everything was perfect until Mr. and Mrs. They were not his parents after all! Little told police what had happened. He plastered posters about Stuart all over the city. While Stuart left the Stouts and tried to escape the alley cats clutches and find his way home. In the end, it was Snowbell who saved Stuart. Now, they are one big happy family!
