Early years[ edit ] Satchidananda was born in a pious Konugu Vellalar family in in Chettipalayam , a small village in Coimbatore , near Podanur in the South Indian state of Tamil Nadu , and was named C. His parents affectionately called him Ramu. He was Perur Temple manager early in his life. He remained a vegetarian all his life, and later wrote a book called The Healthy Vegetarian. He married and had two sons. He briefly served with the Indian defense forces and is a WW2 veteran who saw combat. His wife died five years after the marriage. Spiritual quest[ edit ] After the sudden death of his wife, Ramaswamy travelled throughout India, meditating at holy shrines and studying with revered spiritual teachers. For years, Ramaswamy searched for real sages, saints, and spiritual masters. Eventually, he was initiated into pre- sannyasa in the Ramakrishna Thapovanam and given the name Sambasiva Chaitanya. While at the ashram , his job was to care for orphaned young boys. During this period, he also studied along with the renowned Ramana Maharshi. Ramana Maharshi died shortly after his departure. He then travelled to Rishikesh , a holy town in the foothills of the Himalayas , located on the banks of the Ganges River. There, he discovered his guru , Sivananda Saraswati , founder of the Divine Life Society and a former physician, who ordained him into the holy order of sannyasa in and gave him the name Satchidananda Saraswati. The expression is used in yoga and other schools of Indian philosophy to describe the nature of Brahman as experienced by a fully liberated yogi. Here, Satchidananda taught yoga, conceived and implemented innovative interfaith approaches to traditional Hindu festivals and modernised the ancient mode of living that renunciates had followed for many years. For instance, Satchidananda drove a car to teach throughout Sri Lanka , wore a watch to be on time , and actively engaged the questions of seekers. These modernisations were ridiculed by certain individuals in the orthodoxy but he felt them to be necessary natural extensions and serving tools for betterment in his spiritual yogic work. Soon after his initial visit Satchidananda formally moved to the United States, and eventually became a citizen. From his new home he spread his teachings of yoga, selfless service, ecumenism and enlightenment. Satchidananda came to public attention as the opening speaker [4] at the Woodstock music arts and peace festival in , after he was called in as an emergency measure. Over the years he wrote numerous books and gave hundreds of lectures. He also ordained a number of western disciples into the order of sannyasa. On 19 August , Satchidananda Saraswati died after speaking at a peace conference in Chennai.
