So mercurial - like me. Bring Cary with us if you have to. The living nightmare from my past that Gideon seemed to fear might reappear in my present. The shield of anonymity that had protected me for years had been shattered by our highly public relationship. He was a man who claimed his possessions utterly, fought off his competitors with ruthless precision, and would never allow any harm to come to me. I was his safe place, which made me rare and invaluable to him. Gideon glanced at his watch. He was an older gentleman, with a liberal sprinkling of white in his red hair. Even as I thought this, Angus slid deftly into the sea of taxis and cars on the street. The blaring of horns and the thud of tires over a manhole cover invigorated me. Rapid-moving streams of pedestrians flanked both sides of the clogged street, while buildings stretched ambitiously toward the sky, keeping us in shadow even as the sun climbed. God, I seriously loved New York. I took the time every day to absorb it, to try to draw it into me. Maybe a quick trip to Vegas? But this is a relationship, Gideon. Long enough for his brow to arch over those piercing blue eyes in a look that said take it or leave it. My past had vicious skeletons, and dating Gideon had put me in a media spotlight that could bring Nathan Barker right to my door. Plus, controlling everything around him was just part of who Gideon was. It came with the package and I had to make accommodations for that. You can take your pick. Then I climbed into his lap, straddling him. I draped my arms around his shoulders. It means a lot to me. You were looking up at the building and I pictured you on your knees, looking up at me that same way.

Bared to You He was beautiful and brilliant, jagged and white-hot. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily He had demons of his own. Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. He was my addictionâ€”my every desire My past was as violent as his, and I was just as broken. It was too hard, too painfulâ€”except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession I also saw the dangerous and damaged soul insideâ€”so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. We faced a terrible choice:
