Photos References My group of five had the pleasure of duck and goose hunting in Canada with Brennan Hudson, Alberta Waterfowl Outfitters, this season. It did not disappoint! Brennan is a very knowledgeable hunter but more importantly, a guide that is truly concerned with you having the best experience possible. And always stressing safety in the blind! He made sure everyone was enjoying themselves. Before we left, we all felt like Brennan had been a long time friend. The hunting was second to none. Excellent calling, great blind setups, and decoy spreads. We got all we wanted within the limit! The lodge was outstanding. Our lodge hosts, Mr. Debbie, made sure we were well fed and taken care of. To say the food was excellent would be an understatement. The whole experience was top-notch without exception. When the word gets out about his operation, you will be fighting for spots to book hunts with him. What my good friend Brennan Hudson has put together with Alberta Waterfowl Outfitters is second to none!! The accommodations, the meals, the scenery, the hunting and the people make this a must-do for any waterfowler. If you look up the definition of work ethic there is a picture of Brennan.!!! Steve German I have had the pleasure of wing shooting all over the world. My experience at Alberta Waterfowl Outfitters had to top the list! The hunting was world class and lodging was exceptional! The attention to detail and overall knowledge of the sport was tops in my book. We booked our hunt for next year before we returned to the States. Thank you for an awesome experience! He and his expert staff do the hard work so that you can enjoy this hunt for what it truly is a hunting trip of a lifetime vacation. ### 2: Kansas Duck and Goose Hunting - Big Kansas Outdoors

*Each year that the duck hunter goes out he will pick up some new wrinkles from some grizzled old pusher, or from some of the canny boys that lie around the lakes. I have been at the lakes when some seasoned old pirate would sit grumblingly around the fire in early Spring, only deserting his warm.*
