Mirza ki Gandhi Kitaben By: Shabbir, Florida In Response To: You are nicely fulfilling that duty which is incumbent upon us. May Allah reward you! Statistically speaking, there were 1. For over 80 years, the Qadianis had been calling the entire Ummah as Kaafirs. So, either the 1. This should speak for itself. As simple as that! His year of birth remains uncertain, but according to the research done by his son, Mirza Bashir Ahmad, he was born in He started off as an ultra-orthodox Mullah and liked to engage in silly debates with Hindus and Christians. Around , he started making senseless prophecies based on his self-proclaimed, non-Quranic Kashf and Ilham clairvoyance. Then he claimed being a Mujaddid a Revivalist of Islam for the 14th century Hijrah. He continued his climb to new "heights". The belief in the return of Jesus Christ, the Messiah was prevalent amongst Muslims then, just as it is today. Finally, he loudly proclaimed that he was the greatest of all Prophets of God. As expected, his claims and prophecies were loaded with falsehood and self-contradiction. We curse anyone making a claim of prophethood. Ref same I am Muhammad. I am Muhammad incarnate. Same I too am the recipient of Wahi Revelation and that too is the Quran. Roohani Khazain Jesus Christ, the alcoholic progeny of prostitute grandmothers and great grandmothers, freely associated with prostitutes. That is why he never married and satisfied his lust with beautiful whores. He was not even fit to untie my shoe-laces. Roohani Khazain The mental evolution of Hazrat Ghulam Ahmad was much higher than that of Prophet Muhammad because of the evolution of times. Zahooruddin Akmal Qadiani Zahooruddin Akmal, a disciple poet, hurls this insult: Muhammad has descended among us again And in his glory he is loftier than before! On 5 March , I saw an angel. His name was Tichi Tichi! A smile would be in order here! Mirza Ghulam Ahmad prayed that a rock that rested on his head be turned into a buffalo! When he raised his head he saw that it indeed turned into a buffalo. The "marriage with a widow" part of the prediction was never fulfilled. But Babu Manzoor Elahi of Qadian threw this apology: Nusrat Jehan Begum was a virgin when she was married to the Mirza and became a widow when he died. And so the prophecy stood fulfilled! Once I put some important matter in writing and placed before the Almighty for His signature. Mirza Bashir, Al-Fazl, 02 November All but the offspring of whores have accepted my prophethood. Appendix to Anjam-e-Athum Pgs Supposedly, it is one of the glorious revelations to Mirza Ghulam. What does it mean? Perhaps even God has no idea. I saw myself as God and believed that I was. He has tentacles like the octopus which are spread over to all corners of the universe with its wires penetrating everything. That is how God remains aware of all things and events. Those who do not accept me as a Prophet are swine and their women are bitches. I am sure that through his good nature he was serving the single men in the society. Hunter wrote in his book, The Indian Mussalmans Pg The British government strongly believed that the Ulema could not further divide Muslims and raise another sect among them after the Indian rebellion. This is exactly what we did. Treat this self-grown plant with special kindness and favor. Mirza Ghulam himself admits of having mental derangement in many of his books, as many of his disciples do. Criticizing the ascension of Jesus and describing the Cave of Thaur serving as shelter for Muhammad S during his migration, he writes: While supposedly granting refuge to Jesus in the high heavens, God chose for the hiding of Prophet Muhammad S a wretched place which stunk, was dark and narrow, and was a place for the pollution of insects and worms. Harnam Singh, Gurbachan Singh and Nandi Agarwal of Batala, India dug the grave of Mirza Ghulam Ahmad Qadiani in the night between 9th and 10th September , exhumed his stinking remains and divided it into one hundred pieces as a token of revenge. I am a worm my dear, not son of Adam In the most stinking, hated spot on the human body And the shame of all people - Durr-e-Sameen Pg It is deplorable that Muslim Ulema found an ignorant, deranged village Mullah, Mirza Ghulam too formidable a challenge to stop! This is because many Mullahs and Sufis had been making similar claims as Mirza Qadiani did. In addition, they continued to believe in the Ascension, Heavenly physical life and the Second Coming of Jesus. Messages In This Thread.
