35 TECH TOOLS AND TOYS: ALL FREE ON THE INTERNET! Dorothy Barr Ernst Mayr Library Harvard University 26 Oxford Street Cambridge, MA Today there are many tools and technologies available.

Also promoted is a female formula, "Hour Energy for Dating Comedians. Audience members in the ad give the show unanimous praise—the same praise, in fact, delivered in a hypnotic trance "I loved it. Much better than CATS. It speaks very loudly, responds to anything remotely resembling "Alexa," mutters "Uh-huh" during long, rambling stories, etc. But, as he concludes, "if a jacked Australian with a perfect face can make it, anyone can. The skits have 3 elements: A picture of Michael Vick is on the package. Each scene also zooms in on each person wearing said jeans. Luckily, this supplement is a counter-agent that turns men into their paunchy, mild-mannered middle-aged selves once again. Furthermore, the liquid is revealed to be hazardous, as evidenced by the thick utility gloves included in the package included to clean up the resulting mess. The ad ends with Williams and Piscopo sitting on the ice bloodied, gap-toothed, and enjoying a couple of beers. Rather than simply killing a cockroach, this bug trap painfully tortures them and "gives them a lot to think about". The trap supposedly creates a signal that encourages the cockroach to enter, then adhesive glue holds the bug fast much like a rat trap. Then, three tweezers stretch the legs in opposite directions til they snap off. Then the bug is beat senseless by its own dismembered legs. Two kids are seen peering gleefully through a patented "viewing window". O Dreamboats — a magazine with famous businessmen as objects of desire for teenyboppers. The car features a simulated transmission fluid leak, mismatched hubcaps and one exposed wheel painted school bus yellow, coat hanger antenna Siobhan Fallon and episode host Rob Morrow appear in before-and-after footage. Users are shown dancing wildly to music exclaiming "Everybody get turnt! Swen Gazzara Gilbert Gottfried proves the value of hard work in America by asking Ronald Reagan to personally give him a "hum job". The English word "pimples", however, is confused in the sketch with "pimpen", a strong German slang word with the same meaning as the English "fuck" in the sexual sense. When the large numbers are quoted, a pyramid of the same number of bowls elevates Hartman into the ionosphere. Belmont, a man whose family has been in the horse glue business for generations. It is a parody of commercials that try to appeal to old-fashioned values and tradition. When she becomes annoyed "No! Cruz is assisted by a "hype team" Kenan Thompson and episode host Awkwafina, but while the pair is able to liven up the crowd, things fall apart literally and figuratively for Cruz after he takes the stage. Julia Sweeney enjoys a drumstick dipped in clear gravy straight from the jar, while Kevin Nealon gleefully splashes his face in the clear, gooey liquid. The Home Game — Charles Rocket pitches a home board game for dysfunctional families who can now act out their issues the same way the Ewings do on the prime time soap opera Dallas. The closing tag line: The jingle is set to "Jump For My Love". Parody of Copenhagen chewing tobacco. Don Pardo is the voiceover announcer for a spot decrying high production costs for elaborate oil-company commercials and offering this as an excuse for high energy prices. To prove its strength, a user bites down on a wood bar, which is lifted by a helicopter "The Epoxy-Dent Chopper Test! Caused minor controversy for its depictions of male-to-female transsexuals. All of the matches are alluded to be between prostitute and client. How does First CityWide make money doing this? As one service rep says it, "The answer is simple: Luckily, bandmate Fred Armisen offers this frozen food product with medicine designed to counter constipation "you eat it, and ay ay ay! Also available in Indian and fish varieties. DACA Edition — from April, this topical variation on the classic board game forces players who pull a "dreamer" card to take an alternative path where they must "work three jobs," dodge ICE agents, and face bureaucratic hoops. Parodies use of hip hop culture in advertisement. Also promoted is the Dura-Fram Diaphragm for women. On top of the helmet is an enormous foam rubber "helmet protector", and also mentioned a "helmet protector protector", which was too large to be shown. President in the late s. Katrina — Doug Stanhope Jason Sudeikis travels to a flooded post- Hurricane Katrina New Orleans and offers women fresh water and clothing in exchange for their flashing their breasts and "going

wild" for the camera. And its most Italian. Say No " New York City mayor Rudolph Giuliani cracks down on graffiti artists defacing the city by adding insults next to their handiwork. Grayson Moorhead Securities " A lampoon of brokerage companies projecting a tradition of competence and trustworthiness, where the founding principles include making a list of clients, investing in white-owned businesses, and keeping the list in a safe place. Also promoted is Chicken Helper with Chlorine Bleach. Not this version, whose long, bendable arm reaches out over the user and is inserted inconveniently up their buttocks. Episode host Amy Schumer "It takes pictures? Hedley and Wyche " An ad for "the British toothpaste," one infused with "two teaspoons of pure cane sugar Phil Hartman appears as the onscreen announcer.

Plot[edit] The series starred a Tyrannosaurus , a Triceratops , a Stegosaurus , and a Pteranodon that were transformed into super warriors by an interdimensional criminal named Argor Zardok. Extreme Dinosaurs toy line[edit] Extreme Dinosaurs is a series of toys created by Mattel in It later spawned a TV Show in with the same name. Originally called "Dino Vengers," these toys are about a group of college teens who turn into Dinosaurs the plot for the toys is a lot different than the plot of the TV show. There were also War Paint and recolors of the toys. The toys were also a spin-off of " Street Sharks ", a toy line also by Mattel that later was made into a TV show. His signature move, that he can perform alone or with any in the group, is the "Saurian Stomp" which shakes the local ground. T-Bone is light yellow and wears black boots wherein one of his claws protrudes through the right boot , dark green pants, and shoulder pads. He can curl his body into a destructive saw blade, using the plates on his back as its cutting edge. Stegz is apple green and wears purple shorts and black boots. Bullzeye voiced by Jason Gray-Stanford - A wise-cracking Pteranodon whose chief weapon is a shriek of ear-splitting frequency. Bullzeye is lazy and given to impulse buying. Bullzeye is maroon red and wears yellow pants, black shoes which his claws protrude through , and a gold necklace. Despite his eagerness to fight, he tends a garden in his free time. Spike is iceberg blue with a dark purple under his tail and wears brown shorts, brown leg bands, a yellow belt, and is always barefoot. Hard Rock voiced by Blu Mankuma - An Ankylosaurus from an alternate reality inhabited by humanoid dinosaurs. He is the principal pacifist. Hard Rock is tan and wears red pants with grey boots. Raptors[edit] The Velociraptors or Raptors are the archenemy of the Extreme Dinosaurs with the determination of conquering planet Earth or changing its climate by global warming to fit their comfort. He is orange with yellow stripe tail and a metal brace -like device attached to his mouth. He briefly had a weapon on one hand that dissolved solid matter effortlessly. This is later replaced by a rocket-launcher. Bad Rap wears a yellow strap over his torso and waist and black shorts. Haxx voiced by Lee Tockar - A mahogany Raptor with implants on the backs of each wrist that produce green blades. His tail has been replaced with a blade that is capable of spinning like a drill. Haxx is the most-gifted among of all of the main characters with his abilities, but he is set back by his low intelligence. He wears pink shorts. Spittor voiced by Terry Klassen - The brains of the Raptors. He is mulberry-purple with white on his neck, chest and feet. Spittor wears no clothing and carries a tank of various liquids released from nozzles on his hands, tail, and mouth. They first appeared in the episode "Cyber Raptors". Quadrainians[edit] The Quadrainians are a race of blue-skinned humanoids from the largely-unseen Quadrainia. Argor Zardok voiced by Terry Klassen - Argor Zardok is a wanted criminal from Quadrainia who arrives on Earth in the Mesozoic and transforms most of the principal characters into his personal soldiers. Rebecca Scarwell voiced by Marcy Goldberg - A secretive scientist researching mutations and extraterrestrials , who captures the Extreme Dinosaurs more than once.
