1: The Apostles' Creed Paper - William Barclay : Westminster John Knox Press

This book was designed by Andrew Milned Design and was printed in , by two publishers: If you are interested in John Hunt Publishing Ltd. Professor Barclay reminds us, however, that the Creed should be seen not so much as a test and yardstick of orthodoxy, but rather as a symbolic, pictorial and poetic representation of a truth--a truth that Christian should constantly rethink and restate for themselves. He manages to bridge the gap between the academic and lay worlds while addressing the most profound issues of the Christian faith. The William Barclay Library is a collection of books addressing the great issues of the Christian faith. I Only Charge the Real Cost to ship this item or, items , to you. Take advantage of it.
