

## 1: The Dance Connection

*With the encouragement of family and friends, The Dance Connection was formed eliminating the fear that dance in our community would be just a mere memory. We hope that in some small way our dance school has helped with the recovery of our Parish.*

The more you look like a dancer, the better you will dance. Any color leotard and tights may be worn. All long hair must be pulled back in a ponytail or a bun. Leotard, tights, ballet skirts, and ballet shoes. Teachers must be able to see the lines of your body to make proper corrections. Leotard, tights, biker shorts, jazz pants, and jazz or ballet shoes are acceptable. Tap shoes for tap class. Jazz shoes are now required for funk jazz class. T-shirts, shorts, sweatpants, and lightweight tennis shoes are to be worn. All shirts must be tucked in. Attendance Regular attendance to class is encouraged, however we know that there will be times when you have to miss. It is our policy at The Dance Connection that we do not offer refunds or credit for missed classes. We suggest that your child make up the missed class by attending another class of your choice at the proper level. Missed classes should be made up by the end of the month in which the initial class was missed. Payment All payments are due during the first week of the month. Our payment schedule is based on a 4 class per month basis over a 9-month period. The August classes and months with 5 weeks make up for vacation time. We accept checks and cash. Please make sure that you receive a receipt from us when you make a payment. It helps to clear up any questions, should you have any.

## 2: A Rochester, NY Dance Studio | Dance Connection Rochester

*At The Dance Connection we offer innovative technique in a fun and exciting atmosphere supported by highly qualified teachers. Our goal is to offer each student a quality dance education. Our students learn poise, grace, self-confidence and team work, which will stay with them in many years to come.*

Celebrating our 30th Season!! Our website is designed to keep you up-to-date with all the "happenings" at our studio and with our dance family. Give us a call: Words cannot express our feelings of how incredibly proud we are of each and every student. The look of pure joy and pride as they exited the stage after each performance was priceless. Nothing breaks my heart more than to hear a father shun their son from dancing, or being involved in the Arts. There is so much it has given me. As a young dancer, it taught me that not everything will come easy for me, repetition was a frustrating process, and to yield the results I wanted, I needed to buckle down. They are your craziest, most accepting friendships you will ever have. Knowing the hours of blood, sweat and lots of tears paid off is an incredible feeling. Growing into your body, the phases we experience, is sometimes "one step forward, two steps back. Dancing in a room surrounding by dancers better than you is a humbling experience. In the real world, there will always be someone better than you. More successful as you. One thing I know for sure, they second I step foot in the studio doors, all of that melts away. I have to make a conscious decision every day that I respect and honor myself, my body, and my mind when I enter the dance space. For many kids, and teens especially, having the safety net of the studio can save their lives from destruction. Which leads me to: Always reminding them that "this too shall pass. So many un-informed parents have no idea that there is an abundance of money colleges are shelling out year after year to high school students. The studio will always be a soft place to fall for them. Kaelyn Gray Beach St.
