And there is nothing disgusting or perverted on this page. The only inappropriate thing on here is your comments. Nobody did or said anything to deserve your bullying. I like this song. My mother likes this song. My brothers and their friends like this song. My friends like this song. And if you have a problem with it, then you need to take counseling sessions. You are both jerks. And nobody likes a jerk. I mean it didnt make any sense how hard we were laffin. Showed it to my 40 yearold mom and she was rotfl too! People of all ages seem to like it, especially the animated version. I do not see any hidden meanings in the song, it is just fun. Our people are never satisfied with the options present, so they tend to keep asking for what they wish, despite that option not being present. It is my favorite song, and me and my friends like to sing it really loud during school, and creep people out! I think its sooooo funny how the duck bugs the dude for grapes and then doesnt want them and wants lemonade!! I also think that duck song 2 is funny. U rock Bryant Oden!!! Load More Song Meanings.
