

## 1: The Eagles Heart Poem by Kristi Day - Poem Hunter

*Biography. With five number one singles, 14 Top 40 hits, and four number one albums, the Eagles were among the most successful recording artists of the s.*

Also Available in iTunes About Eagles With five number one singles, 14 Top 40 hits, and four number one albums, the Eagles were among the most successful recording artists of the s. The band was formed by four Los Angeles-based musicians who had migrated to the West Coast from other parts of the country. He became a founding member of Poco in , but left the band prior to the release of its debut album in order to join the Stone Canyon Band, the backup group for Rick Nelson. Finally, Glenn Frey born in Detroit, Michigan, on November 6, performed in his hometown and served as a backup musician for Bob Seger before moving to L. He formed the duo Longbranch Pennywhistle with J. Souther, and the two musicians signed to Amos Records, which released their self-titled album in Meisner and Leadon also played backup for Ronstadt during her summer tour, though the four only did one gig together: In September , Frey, Henley, Leadon, and Meisner signed with manager David Geffen, agreeing to record for his soon-to-be-launched label, Asylum Records; soon after, they adopted the name the Eagles. In February , they flew to England and spent two weeks recording their debut album, Eagles, with producer Glyn Johns. Produced by Glyn Johns and released in April , it reached the Top 40 and went gold in a little less than a year and a half, spawning the Top 40 single "Tequila Sunrise" in the process. On the Border was released in March The first single, "Already Gone," reached the Top 20 the same month. But the most successful song on the LP -- the one that broke them through to a much larger audience -- was "The Best of My Love," which was released as a single in November. It hit number one on the easy listening charts in February and topped the pop charts a month later. Released in June , it went gold the same month and hit number one in July. Moreover, it featured three singles that hit the Top Five: The group went on a headlining world tour, beginning with the U. But on December 20, , it was announced that Bernie Leadon had quit the band, and Joe Walsh born in Wichita, Kansas, on November 20, was brought in as his replacement. He immediately joined the tour, which continued to the Far East in early Released in December , the record was certified platinum in one week, hit number one in January , and eventually sold over 10,, copies. The Eagles embarked on a world tour in March that began with a month in the U. Schmit born in Sacramento, California, November 20, , formerly of Poco, in which he had also replaced Meisner. The Eagles began working on a new album in March and took nearly a year and a half to complete it. The Long Run was released in September It hit number one and was certified platinum after four months, eventually earning multi-platinum certifications. The Eagles toured the U. Also included were some tracks recorded in The Eagles were inactive after the end of their tour, but their breakup was not officially announced until May All five released solo recordings. Walsh, of course, maintained a solo career before, during, and after the Eagles. In , Frey and Henley began writing together again, and they performed along with Schmit and Walsh at benefit concerts that spring. A full-scale reunion was rumored, but did not take place. Four years later, however, the Eagles did reunite. In the spring of , they taped an MTV concert special and then launched a tour that ended up running through August On December 31, , they played a millennium concert at the Staples Center in Los Angeles that was recorded and included on the box set retrospective Selected Works: All was not well within the band, however, and Felder was expelled from the lineup in February A protracted legal battle ensued as the Eagles soldiered on as a quartet, releasing The Very Best of the Eagles in and achieving minor success with the single "Hole in the World. In , the band made the documentary History of the Eagles, and toured behind it until mid Six months later, Glenn Frey became ill and passed away on January 18,

## 2: The Heart of the Matter (song) - Wikipedia

*The Eagles show The heart of the matter. likes Â· 27 talking about this. Australia's most accomplished and authentic show paying tribute to the.*

Henley attended Linden-Kildare High School where he initially played football, but due to his relatively small build his coach suggested that he quit, and he joined the high school band instead. He first played the trombone, then in the percussion section. Austin State University in Nacogdoches, Texas. Henley left school to spend time with his father, who was dying from heart and arterial disease. They then formed a band called the Four Speeds. They recorded a self-titled album produced by Rogers at Larrabee Studios, while living at the home of Rogers for a few months. Touring with her was the catalyst for forming a group, as Henley and Frey decided to form their own band. The Eagles reunited 14 years later in Henley continues to tour and record with the Eagles. Their latest album, Long Road Out of Eden , was released in The single " Dirty Laundry " reached No. A single release, " The Boys of Summer ", reached No. He then had a No. Occasionally Eagles songs would get drastic rearrangements, such as "Hotel California" with four trombones. Geffen Records stopped this from happening, which in turn upset Henley. Under the statute, a California law enacted over 50 years ago to free actors from long-term studio deals, entertainers cannot be forced to work for any company for more than seven years. Geffen Records did not want Henley signing with any other label, and had an agreement from Sony and EMI that they would not sign Henley. He counter-sued Geffen Records, claiming that he was " blackballed " by David Geffen , who had made agreements with other record labels not to sign him. The band won that battle. Live Inside Job was released. I still have a contract with a major label [Warner] for a couple of solo albums. The album was released on September In , a compilation album titled Common Thread: The Songs of the Eagles was released, with a portion of the royalties from the sales going to the Walden Woods Project. Shellman to underwrite ecological education and research. The Ramsar Convention is an intergovernmental treaty that provides a framework for national action and international cooperation for the conservation and wise use of wetlands and their resources. In this role he testified before the U. Senate Committee on the Judiciary in [63] and the U. Senate Committee on Commerce, Science and Transportation in Nicks later wrote a song " Sara " that Henley claimed is about their unborn child. She was arrested for prostitution, while a year-old girl found in the house was arrested for being under the influence of drugs. He was subsequently charged for contributing to the delinquency of a minor, fined and put on probation. Summerall has been diagnosed with multiple sclerosis. Henley also maintains a home in Hollywood, California This section does not cite any sources. Please help improve this section by adding citations to reliable sources.
