By Carol on Aug 08, This is a well-written guide that delves into the essentials of the Kama Sutra and how to apply it in your own life to benefit not only your sex life, but your life in general; it leaves out all of the esoteric elements and focuses on modern-day applications. There are also a huge quantity of sex positions to try, many of which I would never have even thought to attempt previously some may be a bit too advanced for me and my tastes. The only thing I think could improve the book is if there were simple illustrations to go along with the descriptions of the positions, even though the descriptions are more than adequate to get the point across. By None on May 18, amazing book at describing the philosophy behind the practice and tips that extend past just the sexual part of Kama Sutra. I was concerned about some of the positions, but this book is great for beginners. My wife and I both enjoyed reading and applying this book. Wholeheartedly recommend this to anyone thinking about trying Kama Sutra, but are scared about flexibility. Will definitely spice things up in the bedroom! I found this book in exchange of my opinion and I must say that I am well damn pleased. It gives tips and tricks in order to It gives tips and tricks in order to cover your bases, like positions, techniques and such in order to get the rocket of love to lift off, great read btw! It was a great reference on educating ourselves about the purpose of Kama By Jess H on Sep 30, I was intrigued about this book because of the positive reviews it has. After seeing what is inside i understood what all the fuss was about. It was a great reference on educating ourselves about the purpose of Kama sutra. It was not merely to educate masses about different sexual techniques, but promote a healthy relationship between the partners and constructively use sexual energy. The Kama Sutra sex positions not only give couples physical satisfaction, but also have a number of other benefits. Kama Sutra also helps promote various anti ageing properties in your body. It helps create a strong bonding between you and your partner. Kama Sutra is definitely a great way to boost your beauty and vitality. Read this book and enjoy its benefits! The book arrived quickly and has a lot of great information in it By Reagan on Oct 30, The book arrived quickly and has a lot of great information in it. Great for beginners By Redmoonrisingstudios on Apr 22, My favorite part of this book was the emphasis on touching. I think in our busy and hectic lives we forget how meaningful and important that factor is in a relationship. Simple and loving touching can do wonders to boost self-esteem and endorphins. The book also covers positions beginner and advanced. I overall thought it was helpful to By Amazon Customer on Mar 14, Came right on time, and book was in great condition. I overall thought it was helpful to spice things up; but wish I could had found a website to really understand the position. Positions are listed between "beginners" and "advance", which after reading them seems fair enough. While what I got was a paper back edition of a BuzzFeed article on sexual "tips and tricks". Passionate sex By A. Marotta on Jun 11, Oh, no.. I cannot recall the last time we made love sublimely. This book became an instrument for me to rediscover how natural it is to use Kama Sutra teachings to enjoy those precious moments once again. The essayist sounds too inviting and proficient. Kama Sutra helps us align ourselves to our partners from inside on a higher recurrence. Kama sutra is indeed is a beautifully sacred ancient art form that unites couples who feels inaccessible from each other.
