Generally speaking, specialist online travel money providers and bureau de change offer the best Czech Koruna exchange rates, followed by the supermarkets, the Post Office and then the banks. The absolute worst rates of all are found at the airports so try to avoid buying there at all costs. Czech Koruna rate over the past 90 days Over the past 90 days, the Czech Koruna has increased by 3. During this period the Czech Koruna hit a high of You can see more historical exchange rate data over longer time frames on our Czech Koruna exchange rate history page. A guide to Czech Koruna The Czech Republic was one of the countries poised to join the Eurozone, but they have put their plans on hold following the sovereign debt crisis. The common advice when changing money in the Czech Republic is to watch out for what you are being offered. If you are using local foreign exchange offices check before completing the transaction that you are happy with the exchange rate offered and the commission charges. Rates and commission charges can vary substantially between offices. According to the Foreign and Commonwealth Office FCO you should avoid cash vendors on the street as this money is often counterfeit. In many places in the Czech Republic it is common to tip by rounding bills up to the next 10 CZK which is useful as it reduces the amount of coins that you bring home. If you do return with any left-over cash, check out our currency buy back section to find a buyer. Visa and entry requirements to the Czech Republic British passport holders can visit the Czech Republic for up to three months without a visa. If you plan to stay for longer than this or would like to apply for a work permit, visit the Czech Republic Embassy for more information. Prepaid Czech Koruna Cards Prepaid currency cards are designed specifically to be used overseas. They work the same way as a standard UK bank card, except their fees are lower when used in the Czech Republic and the exchange rates are much better than those offered by most high street banks. Find the best Czech Koruna rates in your nearest high street International Czech Koruna Transfers If you need to send Czech Koruna overseas or receive funds from a bank account in the Czech Republic, you may be better off using the services of a specialist foreign exchange broker. Airport currency exchange the lost millions Posted by Sam Stone on 13th November Airport currency exchange facilities in departure lounges are the perfect emergency service for holiday procrastinators. But with 24hr internet access, is there any excuse for wasting your hard earned The general population of Angola for example, would think there is nothing unusual about the Kwanza but may be laughing their socks

Also check my Cash or Card post which gives you guidance on the cheapest way to get cash and how best to use cards. Also listed on this page are different Prague currency exchange rate calculators with instructions on how to use Czech resources to see clearly what exchange rates are being offered by commercial banks and cambios so you may get an idea of where you want to exchange your cash. From banknotes printed in are no longer valid currency. They can be exchanged for free at the Central Bank near Namesti Republiky. What the Banknotes Look Like 20 Korun Note The 20kc banknote has ceased to be legal Prague currency and been replaced by the 20kc coin. I would expect to use this for lunch and get about 80kc back in change. Think of it as a 20 Pound note just not quite worth as much. This Prague currency note was replaced in by another more secure version. Commercial banks stopped changing this Czech currency in June and now only the central bank opposite the Powder Tower will exchange them. You are bordering on credit card usage at this level. The kc is more than the English 50 pound note and how often do you see one of those. When using an ATM to withdraw cash you can expect to get these if asking for more than kc. Prague currency that was widely used before the banking system became more reliable as many things i. Czech currency "WE BUY" this means that we buy amount x of the local Czech currency in cash and give you your own currency. Commission is normally a percentage of the amount you want to change. Fixed charge is a set amount regardless of how much you want to pay and benefits people changing more money. Some places have a commission rate up to a certain amount which then becomes the fixed charge. Select the Czech currency CZK right at the top of the list. Credit Cards Since the number of shops accepting credit cards has gone up to the point where it is now less likely for a shop NOT to accept them. The first is that many shops will impose a limit like for electrical goods and I must show my passport if I want to buy something over 15, kc. The second warning is the risk of card blocking i. Unfortunately your card may now be blocked and you must contact the controlling bank for a security check. Other card holders should note their own contact numbers. Note that not all restaurants accept credit cards. It is however not a member of the Euro Zone and as such it is not required to use the Euro as its main currency. Currently there are a few places that take the Euro but these are limited to towns close to the German and Austrian borders. In Prague itself if a restaurant etc accepts the Euro it will state that your change will be in Euros if available. Others will state immediately that change is in Czech Korun. Prague airport shops accept Euros but change is in Korun. Cashback This is just starting in the Czech Republic.
