

1: The Five Ancestors - Wikipedia

This book is the second book in the Five Ancestors series. I suggest you read Tiger first to be able to understand this book. Each book is told from a different person's point of view.

Kisah tentang sebuah kuil shaolin yang tersembunyi, bernama "Kuil Changzen" artinya: Di dalam kuil itu, terdapat biksu, 5 biksu muda, dan seorang Mahaguru. Ini adalah cerita tentang 5 biksu muda yang sudah menjadi master shaolin. Kelima biksu muda itu telah menguasai masing-masing kungfu binatang pada umur belasan tahun. Mereka adalah yang termuda. Yang termuda di antara kelima master muda itu adalah Malao, biksu mungil yang berkulit gelap. Perasaan yang timbul karena kematian Mahaguru. Perasaan yang paling asing bagi Malao. Setelah membaca Tiger, aku dipenuhi beragam pertanyaan: Bagaimana Malao bisa menemukan dan menyelamatkan Fu? Apa yang dia lakukan bersama Hok setelah Mahaguru meminta mereka untuk berpenjar ke seluruh penjuru mata angin? Bagaimana Malao bisa memimpin segerombolan monyet-monyet di hutan? Monyet putih albino yang bertengger di pundak Malao itu.. Dan beragam pertanyaan lain yang akhirnya terjawab di novel ini. Sayangnya, muncul banyak pertanyaan-pertanyaan baru yang bikin nggak sabar baca buku ke-3 Snake: Ke mana Hok dan Seh? Entah kenapa ngerasa paling mudah membayangkan Malao.. Rifda buku Monkey ini menceritakan bagian petualangan si bungsu, yang bernama Malao. Merupakan kelanjutan dari buku seri pertama Tiger. Masih berlatarkan Provinsi Henan, Cina- tahun Macan. Malao berpetualang bersama Fu, mencoba untuk mengambil kembali gulungan naskah naga dari genggamannya Ying, saudara sepengurusannya yang telah mengkhianati kuil buku Monkey ini menceritakan bagian petualangan si bungsu, yang bernama Malao. Malao berpetualang bersama Fu, mencoba untuk mengambil kembali gulungan naskah naga dari genggamannya Ying, saudara sepengurusannya yang telah mengkhianati kuil Changzen tempat ia berguru dulu. Sepuluh hari kemudian Malao dan Fu berhasil bertemu kembali dengan saudara pengurusannya Seh di kuil Shaolin. Namun ternyata mereka telah terlambat, karena kuil Shaolin sekarang telah dihancurkan oleh pasukan Kaisar. Lalu ia bertemu dengan Tsung, biksu Shaolin yang juga seorang pengkhianat. Tanpa diduga pasukan Ying pun muncul. Namun Malao, Seh dan Fu berhasil mengambil tiga gulungan naskah naga. Disana Malao pun baru mengetahui bahwa Hok sebenarnya ada lah perempuan. Seh, kakaknya telah lama mengetahui rahasia itu. Dibuku ini banyak kebenaran yang dibuka. Mulai dari kenyataan tentang ayah Fu, mimpi masa lalu Ying dengan ayahnya dan Mahaguru, Siapa itu Tonglong? Dan masih banyak lagi. Langsung ngebut baca buku ketiga. Padahal UTS didepan mata. Ayo baca buku serial The Five Ancestor. Sumpah keren sangat ceritanya.

Main characters[edit] Fu: Fu is a master of tiger style kung fu and, at the age of 12 years, the youngest to have ever mastered the style. He is very instinctive, somewhat rash, and has heightened senses of sight and hearing. He is the strongest and burliest of his brothers and has an extremely strong will. He is the youngest master of monkey style kung fu and his personality matches that of a monkey. He can jump from tree to tree or building to building from great distances and his agility and unpredictability are rarely matched by anyone. Malao is also a fierce warrior Seh: He is tricky, cunning, smooth, and often very suspicious. He meets a beauty snake along the course of his travels, with which he has formed a bond. At 12 years of age, Hok is the youngest master of crane style kung fu. Patient, calm, and tranquil, Hok is a skilled healer and very compassionate person. During her journey, she meets up with a crane. She turns out to be half Dutch and half Chinese. Her birth name was OnYeen. At 13 years old, Long is the youngest dragon style master. He is very wise, for his age, yet is, also, naive to the world. He rarely appears in the series. Due to his training as a dragon, Long has the physique of a well built year-old and has large amounts of chi that he has trouble masking. He has an extremely sensitive dan tien, or chi center. He appears in "Eagle" as a fighter. Ying is the year-old eagle master, who is the main antagonist of the series until he is publicly betrayed by Tonglong in "Crane". He left Cangzhen after his best friend Luk died on a mission for the Emperor. After this, he grew his fingernails and toenails to extreme lengths, filed his fingernails, toenails, and teeth to sharp points, forked his tongue, and, finally, carved his face and filled the grooves with green pigment. This makeover was performed so that he could feel and look like the dragon he felt he was meant to be. ShaoShu, or Little Mouse, first appears in "Eagle". He is an orphaned thief who used his abilities as a contortionist to get into places no one else could. This helped him survive fairly well on the streets and helped him to help Ying, after the latter escaped from prison. Mong Mong was once a Cangzhen monk. He is a master of the python fighting style. He squeezes his enemies to death. Sanfu Sanfu, or Mountain tiger, first appears in "Tiger" at the village of the governor. He simply goes by "Drunkard". Though his size is very large, he is a master of tiger kung fu, but makes it look like "a drunk tiger". At the end of "Dragon", Fu decides to travel with him after their victory celebration. Tonglong Tonglong bases his kung fu on the praying mantis. Tonglong makes the Emperor to imprison Ying and takes all his soldiers. The group travel on his sloop often and is eventually destroyed in "Dragon". Has poison underneath her fingernails and hides in the shadows.

3: The Five Ancestors Book 2: Monkey by Jeff Stone

This book is the second book in the mind racing series called the Five Ancestors. To read these books, you have to think about every little thing. It makes the book the hardest to put down.

Great read if you like a bit of Chinese history with your young adult kung fu. And not only a girl, but a girl with brown hair, whose color will betray her mixed blood. After the temple is destroyed, she finds an unexpected chance at new life. But the secrets that placed her at the temple as a child, the national intrigue that continues to broil, and the false accusations laid against her will make any kind of life difficult. On the one hand, that makes sense as her past required her to constantly be aware of what other people noticed about her. There is an interesting twist involving Seh about halfway through that did a lot to show both his character and hers, and force them into a much more dependent teamwork. In some ways this is his story as much as hers. Now that the separate storylines look to be closing in, it will be interesting to see how the plot proceeds. I rate this book Recommended. Obed "It is Jade. Some people believe the precious green stone absorbs pain. Wear it over your heart. That is where you will hurt most. Yang seru di sini, fakta mengejutkan tentang identitasnya yang tersembunyi selama ini akhirnya terungkap dan bagaimana Hok menerima dirinya apa adanya. Di sepanjang buku, kita akan mengikuti perjalanan panjang pelarian Hok sejak kuil Changzen mereka di serang utusan "It is Jade. Di sepanjang buku, kita akan mengikuti perjalanan panjang pelarian Hok sejak kuil Changzen mereka di serang utusan Kaisar yang dipimpin oleh salah satu saudara seperguruannya yang memberontak, Ying. Well, seri ini jelas angin segar di genre YA yang biasanya di dominasi dystopia, cinta segitiga dan narasi galau gadis-gadis. Buku ini mengingatkanku pada versi serius film Kungfu Panda. Diceritakan dengan gaya lugas dari POV 3 serba tahu dari masing-masing karakter utama sesuai judul, setting China yang tidak asal-asalan, dan karakter-karakter yang menguasai bela diri ala binatang tertentu, kisah ini akan memikat mata tiap pecinta kungfu. Konflik cerita ini terus bersambung dari buku pertama, alur ceritanya cepat, twist kejutan seru dan penuh dengan adegan jurus-jurus laga Kungfu yang mendebarkan. Karena endingnya yang cliffhanger dan beberapa momen yang mengaduk emosi, buku ini sudah pasti tipe yang asyik untuk dibaca maraton hohoho.. Seri ini gampang dipahami dan bisa dinikmati oleh anak-anak juga pembaca dewasa yang gemar cerita berlatar belakang bela diri China. Tak sabar lanjut ke buku selanjutnya yang akan mengkorek-korek motivasi, isi hati dan perjalanan penuh ambisi si anti hero Ying.
