The bar staff were always attentive. The cleaning staff were hit or miss. However, they did a good job and the place was spotless when they did clean and when we arrived. The shuttle bus was our favorite. You can take a drink with you on the bus on your way to the square. The last shuttle picked up from downtown at 11 which worked out perfectly. When we left our key in the room, the staff made us a new copy without a problem. You are also allowed to use the facilities at 24 north which were great. The gym is not on site at the gates but is located at 24 north hotel. The grounds to the hotel were beautiful. We also loved the food truck the blind pig we just wish it was open past 10pm. When I first heard this bizarre teaching it intrigued me, so I decided to unpick a little of this new teaching to provide a better overall understanding of the doctrines of the New Order. What is the teaching on Gatekeepers? Until recently, nobody had considered gatekeepers as an office in the Church. Where has this teaching come from? It is, as is often the case with supposed new revelations, based on symbolism and allegory instead of the plain literal understanding of scripture. And, again typically, scriptures and prophecies have been given a new context outside their proper meaning. Another scripture used is this: But he that entereth in by the door is the shepherd of the sheep. To him the porter openeth; and the sheep hear his voice: Here you have what is called a gatekeeper. There is a gate there. Interestingly enough it says, the gatekeeper will open the gate for the shepherd. What we have done is we have made gatekeeper and shepherd synonymous. But it is very clear in the Bible they are different ministries. Actually in function, one is a position and one is a gift. Is the Porter or Gatekeeper of this passage a vital ministry gift? What did Jesus intend to convey in this parable? The central message of this passage of scripture is that ONLY through and in Jesus Christ is there any hope of eternal life and blessing in God. All that ever came before me are thieves and robbers: I am the door: All others who offered an alternative route into the sheepfold were liars. Any route to salvation that does not pass through Jesus Christ as the Door or Gate to heaven is a lie. Who is the Porter? Although there are different interpretations of this passage, most biblical scholars and commentators are agreed on the basic principle. Anciently they had their sheepfolds within the outer gates of their houses, for the greater safety of their flocks, so that none could come to them the right way, but such as the porter opened to or the master of the house gave the keys to. The porter has charge of the sheep in the fold at night and opens the door in the morning for the shepherd. It is not certain that Jesus meant this detail to have a special application. The Holy Spirit, of course, does open the door of our hearts for Jesus through various agencies. In the richer houses of Palestine, a guard would be employed to stop thieves getting into the house, and to open the door to bona fide entrants, members of the household including the Shepherd who had come to let the sheep out in the morning or settle them safely in the fold for the night. Looking at this from a spiritual standpoint, with Jesus as the Shepherd, and the Kingdom of God as the Sheepfold, Luke However, even if men and women are instrumental in proclaiming the gospel message, it is still the Holy Spirit who brings the words to life and makes them effective, who draws, convicts, converts and ushers into the kingdom. Only the Holy Spirit of God has the wisdom and understanding required to admit or refuse mankind at the Gates of Heaven! That is what makes the following information so disturbing. Gatekeepers as Men and Women It is now being taught from this passage of scripture that God has placed in the Body, the Church, both pastors shepherds " a position and gatekeepers a gift. In spiritual warfare it would mean opening and closing heavenly places; in the Body it would mean opening the way for the glory of the Lord to enter; in the world it would mean opening the floodgates to the new revelations and new paradigms that represent the kingdom of God on earth. All this and more is now being claimed for the Gatekeepers. We need to know what is going on. Types of Gatekeepers and their tasks Cheryl McGrath of Great South Land Ministries [pro-revival] has some teaching that helps us delineate the various aspects of the Gatekeepers doctrine, from their standpoint. She speaks of six main areas in which she sees gatekeepers operating today, all based on an allegorical interpretation of scripture. Spiritual guardians of localities: The gates were the place the elders of the city met to consider important matters. Keys in scripture represent authority. Jesus gave us the keys of the Kingdom Matthew This is none other than the house of God, and this is the gate of heaven! Not all of these gates are portals we would want to open, however! For a fuller study on this subject see George Otis Jnr. That is the result of thinking along the conventional biblical lines. The Gatekeeper, therefore, would be the Holy Spirit. See my series on The Glory for further details. This same teaching tape from which the first quote was taken makes that point very clear: Those ministries are to come in and fit those stones in that wall of that Temple

where the glory is inside, where the Lord comes and visits His people, where the Lord dwells within us. The third temple is arising. It is the tabernacle of David, the fallen hut. He is repairing the breeches [sic] and raising up the walls, preparing a holy habitation for His shekinah glory. Let the church arise to its heritage and make ready the way of the Lord. Lift up your heads o ye gates and the King of Glory shall come in, the Lord of Hosts, mighty in battle! Hence the oft-quoted verses from Psalm WellSpring Ministries England Restoring the nations There is also a wider application of these scriptures. As well as calling forth the Glory Cloud to fill the Church, the Gatekeepers are said to be establishing the Kingdom of God on the earth. These two events are often seen as synonymous in prophetic literature. The keys that open spiritual gates apparently also work in the secular world to create opportunities to advance the New Order there. These men and women of God are anointed business and government leaders who€ like Joseph and Daniel of old will be recognized and respected by the people of the world they work with€ There will be unusual strategic alliances established between the Josephs and Daniels and key persons of the world they will be brought to work along side the King Cyruses and Pharaohs. The Cyruses and Pharaohs will serve as gatekeepers to open the gates to unusual opportunities - opportunities that would not be feasible otherwise. The resulting deals, transactions and ventures will further and greatly enhance the Kingdom of God in some very strategic ways€. May the transactions and ventures under way become the gateways into further means to create ongoing revenue streams for the strategic kingdom activities of our day. According to My purposes, I have placed you where you are. Hear and obey My voice throughout your day so that everything you do is to the benefit of the Kingdom - be My "Josephs" and My "Daniels". America has a destiny in God as one who will fight for the disenfranchised, with the economic might of our wealth and resources. A holy priesthood shall be established that serves the King of Glory on his mountain and in his pavilion. A royal priesthood anointed and separated and commissioned in their service. All nations will bow before the king of glory who shall enter through the ancient gates. The king of glory who is mighty in battle. Who comes in righteousness with a sword to judge his servants and to make war upon the nations. Rise up and Go! I have given you the keys to the Kingdom and what you open in My Name no one can shut! Open up the gates to your cities, to your regions, to your nations, to your hearts! Open the gates because I will not be held back any longer! I am about to come as a pent up flood! The waters are about to break forth. The rain is about to pour. This is so far from the truth as to be heretical! In fact, the bible plainly says that the hallmarks of the Return of Jesus are widespread apostasy a falling away from the faith increasing wickedness, catastrophes, and chaos € far from a Golden Age. A Christian Great Invocation? We ought to be deeply worried about any attempt to achieve this kind of event. Has the Church been led into reciting a Christian version of the Invocation € which in reality is a spell or chant to invoke the Antichrist! Let Your light come! Let Your truth come! Let Your anointing fall! Let your wind come! Let your wind blow! Let evil be dispersed, O God! Let the strongholds of darkness be pushed back! Push them back, Lord! We say, Open the gates in the East! Open the gates in the East! Gates of the Lord, Open! In the name of Jesus, Open! Great conversion of Islam! We call forth Your glory over that city!
