

1: Meaning of drama queen

drama queen A person (usually a woman, though not always) who is given to exaggerated, disproportionate emotional reactions to relatively minor events or situations. Since I.

February 21, by C. Paris An idiom is a phrase, or a combination of words, that has developed a figurative meaning through frequency of use. Idioms are a staple in many different languages, and are often shared across languages through numerous translations. Idioms Are a Piece of Cake! Perhaps even more embarrassing than not understanding an idiom is misusing it. Because of how nonsensical the phrases can be, it's a piece of cake? Take the idiom used in the header above: In this context, the header is saying that idioms are easy to understand and use. List of Idioms and Their Meanings The following list of idioms will be in alphabetical order, with an explanation and contextual example provided for easier comprehension. Someone should teach him that actions speak louder than words. Something that worsens an already bad situation. Being verbally threatening, but unwilling to do anything significant. A willingness to do something right away. Avoiding the main issue. A bird in the hand is worth two in the bush, right? Something good and beneficial that did not initially seem that way. Turns out everyone who ate there that night got food poisoning. I guess the bad weather was a blessing in disguise! Something you say to someone you want to wish luck on. When someone is upset about something that happened a while ago. Possible obstacles in your path. Complaining about a loss or failure from the past. Skip the irrelevant parts, and go straight to the main point. Do or say exactly the correct thing. Something that is easy to understand or accomplish. I finished it ten minutes. A mild punishment, such as a scolding. When someone receives the same treatment, usually negative, that they gave someone else. I wish someone would give him a taste of his own medicine.

2: Examples of Idioms

drama queen A person (usually a woman, though not always) who is given to exaggerated, disproportionate emotional reactions to relatively minor events or situations. *Since I was an only child, my mother tended to be a bit of a drama queen about anything happening in my life.*

What we really needed on the legal team was a back seat driver, wasting time. **Back To Square One:** Derived from board games, this refers to returning to the start of something. So after all that they wound up back to Square One. **Back To The Drawing Board:** Returning to the planning stage, after previous failure. Having been unsuccessful in persuading the car salesman to accept lima beans, it was back to the drawing board for another scheme. From the old baking tradition of baking thirteen loaves in a batch. We wanted 12, but we got a baker's dozen. **Barking Up The Wrong Tree:** Approaching a subject the wrong way, getting the basics wrong. **Beat A Dead Horse:** Trying to do something about an unchangeable fact. **Beating Around The Bush:** Not dealing with the major issues, not talking about the real subject. Stop beating about the bush! **Beatup** in relation to subject **Overstatement**, exaggerating facts, making something unimportant seem important. That new celebrity is a total beatup, all photos, no person. **Be careful what you wish for** The expression has a slightly superstitious idiom, meaning beware of what you say. **Be careful what you wish for**, that guy could be your new boss. **Go to great lengths to do something.** Sometimes refers to attempts to assist people. They bent over backwards to get the flight arrangements right. It means, literally, beware of anything which comes from an enemy. **A lousy choice between tough situations.** They had a choice between bankruptcy and a liquidator; talk about being between a rock and a hard place. **Attempting something which is beyond your abilities.** **Bite the bullet** Derived from old surgical process where patients were operated upon without anesthetic. Patients were given a bullet to bite to grit their teeth against the pain. Modern usage of the expression means to accept an unpleasant situation, so you can do something about it. **Bite the bullet**, ring them up and tell them. The expression comes from old usage, where the speaker is told to bite their tongue as a punishment for saying something out of place, or something they should be ashamed of saying. **You bite your tongue!** How dare you say that! **Black and blue** Bruised and beaten. They came out of that meeting black and blue from the flak and criticism from the shareholders. They were blind as bats about buying all that expensive rubbish. They were completely blindsided by the price rise. **Blood Is Thicker Than Water:** Refers to family ties, and situations where loyalty to family is more important than other considerations. **Blood oath** An exaggerated expression of extreme commitment to a statement or cause. Derived from old methods of swearing oaths of loyalty. Australian version of expression means something confirming a statement to be absolutely true. They swore a blood oath to get rid of their manager. **Blood oath** I did the auditing properly. **Bloody minded** Perverse, contrary way of thinking. A bloody minded person is someone trying to cause problems by their way of dealing with an issue or a situation. It was a bit bloody minded of his ex girlfriend to send them a wreath to their wedding. **Expression relates to the blues**, which was famous for its songs about troubling emotional situations. **You really do look blue today.** A rare, almost impossible, occurrence in a long period of time. **Bolt from the blue** Refers to a lightning bolt out of a blue sky. **Struck out of nowhere.** Hit by something very extraordinary, and shocking. Originally a theatrical expression wishing good luck with a performance, still used in acting and now in other performing arts, and as a metaphor in common usage. Originally related to a postwar American car which became famous as **The Lemon**, hated by motorists and the auto industry. Now relates to a bad product of any kind. **Look, no kidding**, that thing is a lemon. **Buy a name brand**, at least. Can also be used referring to the end of something. **Fred bought the farm last week.** **Carrying the weight of the world** Severely burdened person, carrying their troubles and problems. **Cast a pall** To introduce a negative element into an otherwise happy occasion. The war in Europe cast a shadow over the world. A person with strong digestion, untroubled by eating or drinking things which would affect others. **Shakespeare for financiers!** talk about casting pearls before swine! **Cat among the pigeons** Introduce an element of danger or risk into the environment. The cat, as the symbolic predator among the harmless pigeons, can be a person, information, or a new development in a situation. The idiom creates an expectation of further, dangerous, developments. **Putting**

a real expert into the hedge fund was really setting the cat among the pigeons. Catty person Negative expression referring to an unpredictable person, whose temper and behavior is sometimes vicious. Chalk and cheese A duck and a horse are chalk and cheese, if you ask me. American expression referring to a painful tightening of calf tendons. Chew the fat Talk about something, or things generally. We were just chewing the fat about the business situation. Chew a person out: Originally a military expression. Verbal lecture to someone detailing their mistakes. John really got chewed out by the manager about how he handled that account. To go and get food. Close but no Cigar: To nearly achieve something or get something right. The cigar was once a prize for contestants in games. Cock and Bull Story: Come a cropper Land on your backside, literally or metaphorically. They tried to find the money for that project, and really came a cropper, their credit rating suffered when they got knocked back by the bank. Come Hell Or High Water: Regardless of any kind of obstacle. Idiom refers to Fire and Water, a traditional expression meaning the same thing. Come again is usually a conversational idiom, where the speaker, as the listener to a statement, is requesting someone to repeat the statement, and may also mean to make it comprehensible. What flood are we talking about? Come off it Cease with an action or taking a position on a subject. The idiom is usually from a person who is telling another to cease. You want us to relay the whole brick wall? Come off your high horse Stop taking an exaggerated position of authority or superior social position, usually regarding a subject or a statement of position. Who do you think you are, telling me to learn to be an intellectual? Come off your high horse! Come on down American expression derived from game shows in which contestants were told to Come On Down. Cookie person American slang expression which has gone into general usage as a metaphor for a person.
