This book analyzes the working and domestic lives of the nearly 90, men who served in the Irish police between the establishment of a national constabulary in and the disbandment of the Royal Irish Constabulary in*

In lieu of an abstract, here is a brief excerpt of the content: Neal Garnham bio The Irish Policeman, "A Life, by Elizabeth Malcolm; pp. Dublin and Portland, OR: As she admits in her acknowledgements, Elizabeth Malcolm has been writing and publishing on the Irish police for a decade and a half. They would be quite wrong however. While The Irish Policeman concentrates on the Royal Irish Constabulary that policed Ireland between and , it covers a wider chronological period, with an initial chapter offering a summary history of the Irish police prior to the formation of the Irish Constabulary in , and a final chapter considering policing in Ireland after partition. Thus, for example, we find that while recruits to the ranks were served "frugal" meals in spartan circumstances at the training depot, officer cadets enjoyed "schoolboy pranks" in an atmosphere much akin to a military mess. For both groups, however, drinking remained "probably the most popular recreation" 81, 88, The focus on the domestic circumstances and lives of the force is both novel and enlightening. Policemen, we are informed, saw "their personal lives. The result was a family environment, which, for the most part, aped civilian normality, but in which children and wives could find themselves as isolated from the wider population as their serving husbands. The analysis of the career structure and employment prospects within police service in the Irish constabularies deals, in one particular context, with an area of Irish labour history that has too often been ignored. Here we are given details of pay and conditions alongside the attitudes of workers and employers. Service in the police force in Victorian Ireland emerges as a simple alternative to emigration for many, and very much an occupation rather than a vocation. Finally, Malcolm brings together material concerning the "simmering discontent in the force" that existed from the s, and highlights three incidents in which police officers failed to adhere to the military and disciplinary ideals supposedly instilled in them during their training. Under pressure during the Land War, at the time of the Belfast dock strike in , and then during the Anglo-Irish War, members of the constabulary in Ireland failed in some measure to obey their superiors or to carry out their duties to a satisfactory level. The implication here is that though their struggles as workers were generally unsuccessful, the police forces of Ireland were not as impregnable to disaffection as the authorities would have liked. There is, therefore, much here that is new and which will interest those concerned with both policing in the Victorian era and nineteenth-century Ireland. The transformation of the Irish police forces from paramilitary bodies into "domesticated" agencies that collected agricultural statistics and issued dog licences, survives. So too does the implication that members of the Royal Irish Constabulary [End Page] in particular were largely accepted in the societies that they policed and conformed to the stereotype of the "village bobby. There is an acceptance here that the police force as a body, as well as individual policemen, were far more political than has previously been acknowledged. Individual members of the majority-Catholic force seem to have seen themselves as the natural policing agency of an Ireland under Home Rule, though sections

2: Project MUSE - The Irish Policeman, "A Life (review)

This book analyzes the working and domestic lives of the nearly 90, men who served in the Irish police between the establishment of a national constabulary in and the disbandment of the Royal Irish Constabulary in

The book is in softback format with pages. Scarce Reference work on this force written by Brian Griffin. Note this force as the author mentions in his introduction has been almost entirely overlooked by historians. An important reference work. Also covers Republicanism up to the s H-Block protests etc. Four policemen were killed in the attack with the IRA column taking to the nearby Partry Mountains in the aftermath The Force was awarded the George Cross in April It is constructed as a collective biography, tracing the lives and careers of policemen from birth to death. The book draws upon a wide range of sources, some never used before. They include the results of the analysis of a random sample of 8, officers and men; unpublished police memoirs and other personal documents; and the letters of some descendants of policemen. For over a century the Constabulary was the most powerful arm of British government in Ireland, yet after the Famine its members were overwhelmingly Catholic. I am pleased to offer this scarce highly regarded volume on the Irish Constabulary. Please help if you can, no matter how little. Offaly by the IRA in One of the many ciivillan killings during this dark period in irish history. Michael Collins The commander - in chiefs cap Badge? St Johns Church Coolclogh Co. A Mint New Volume. Mostly irish republican IRA history but a good insight into the conditions the RIC found themselves in, in their last two years before disbandment. In , two hundred thousand Irishmen from all religions and backgrounds went to war. At least thirty-five thousand never came home. Those that did were scarred for the rest of their lives. Many of these survivors found themselves abandoned and ostracised by their countrymen, their voices seldom heard.
