Now available for pre-order at these fantastic bookstores: With enticing recipes, concise, step-by-step instructions and captivating photos, families will experience the joy of engaging through culinary creation. A must-have for every parent and child! I am so excited about this cookbook because not only does it solve my food problems, but doubles as quality time spent with my kids. This is the cookbook that any child with an interest in cooking is going to love. Check out the big cookbook reveal here. This cookbook turns mealtime into a fun family activity with kids at the center of the action chopping veggies, stirring the pot or adding ingredients. The recipes are made in one pot for less mess, less cleanup and less work, but big flavor. Get a nutritious home-cooked meal on the table that your kids will be thrilled to eat because they had a hand in creating it. No more arguments with picky eaters! Kids ages 6 and up can grow into the recipes, with some parent involvement for tasks like cutting meat and handling boiling water, then gradually doing more and more parts on their own as they get older and build their skills. The recipes are built on familiar foods with interesting flavor twists and ideas for variations, which helps families avoid getting stuck in a rut making the same foods all the time. This cookbook will become a beloved treasure throughout the years, inspiring families to bond together in the kitchen. The ebook comes with a FREE kid-friendly grocery list printable to help your little chef plan their first meal. Get the details on how to get your thank you gift here.
