The third in the well-received series of Bath Detective Mysteries starring Inspector [www.enganchecubano.com](http://www.enganchecubano.com) Bath for the Christmas panto comes former Bond girl Lynda Elstrom.*

Henning Mankell Must Knows: Wallander Are you into dark detectives, exotic locales, and gritty dramas? Then Wallander might just be your new favorite show! The series follows rumpled detective Kurt Wallander as he solves murders in the small, Swedish town of Ystad. Stream full episodes starting the day after broadcast for a limited time. The series tackles tough topics and raises big questions—often with no clean-cut answers. Kurt Wallander acts as a buffer between the audience and the unspeakable evil in his world, giving us a human lens through which to view the side of human nature that only a detective can uncover. In short, Wallander is TV for the somber thinker in all of us. Wallander has its feet firmly planted on the mossy shores of Sweden, and its drama is all the more realized when punctuated by chilly Scandinavian landscapes. It has smart, human-driven mysteries. The Fall, Sherlock Sure, reality TV has its place, but for those of us who appreciate more cerebral entertainment, Wallander is perfect brain food. Although the series allows the audience to play detective, Wallander tends to leave the gimmicks of flashy whodunits behind—instead opting for stories of jealousy, corruption, complicated relationships, and the other flaws that make us human. It has a prestigious leading man. House of Cards, Mad Men If great drama is your thing, then you likely already have a shrine to Sir Kenneth Branagh—a man who was literally knighted for his contributions to the craft. From his haunting, silent expression of emotion, to his moving depiction of a man struggling against the evil in the world, Wallander is truly a master class in drama. It has an imperfect hero. Luther, Jessica Jones Even if he always manages to crack the case, outside of the station, Kurt Wallander is far from perfect. Because he works so tirelessly for the people of Ystad, his personal life and health are often in shambles—his relationship with his daughter is strained, he struggles to manage a drinking problem, and his on-call status means romance is always on the backburner. Take advantage of our free online streaming for fourteen days after the episode broadcasts. Will you be watching? Let us know using WallanderPBS.
