*The primary text will be the Bible. Each lesson will recommend certain passages for reading and study. In addition, the instructors recommend *The Lamb's Supper: Mass as Heaven on Earth*, which covers much of the material to be studied in this course.*

The Bible and the Mass In this course we explore the intimate and inseparable relationship between the Bible and the Mass. Following an overview of the Eucharist in the New Testament, we look at the deep roots of the Mass in the biblical history of sacrifice - a history that culminates with the Last Supper and the institution of the Eucharist. In fact, one could argue that without the Bible there would be no Mass, and without the Mass there would be no Bible. This is no accident. In the Mass, the story of salvation told in the Bible continues - is made real and present - in our lives. This online Bible study is free to all registered users. May 26, Stephanie rated it it was amazing An excellent book for understanding the Mass. Scott Hahn writes about the loftiest truths of the Faith in an understandable way. He delves into the teachings of the early Fathers about the book of Revelation and what it means for liturgical worship. He clearly makes the reader appreciate the importance and holiness of the Mass even when the band is off and the homily is uninspiring. It is the eternal feast of the whole host of heaven. Reading this book will definitely help you appreciate Mass more. An excellent book for understanding the Mass. Reading this book will definitely help you appreciate Mass more. Very readable, and very deep. A rare and valuable combination. The Mass as Heaven on Earth. This is more than just of thesis of Dr. He discovered this independently only to find that it was a thread of teaching in the Church Fathers and some once again presented in the Second Vatican Council. Scott Hahn is adept at presenting deep theological truths in bite-sized chunks without watering down the information presented. As for the study guide itself, it is a nice companion to the book. These questions were written by the always great Mike Aquilina. I am usually not impressed by study guides and their usefulness, but this is not the case here. While it could be used on a personal level, it is in the group setting that it would shine. I would really recommend it for youth groups, adult continuing formation, home school families etc. You can easily have people read the chapter ahead of time and then read aloud the summary which will both remind people of what they read, but also help in emphasizing and memory retention. The doctrinal component from the Catechism and a range of Church documents and other sources really connects the chapters with what the Church teaches. Plus the Questions are not just something thrown together but an important part of the guide, especially in a group setting. The teaching on the Book of Revelation related to the Mass is very important and something that should be more known to help Catholics not only know their faith, but the reality of the highest form of prayer – The Mass. So I think it is ideal for use in youth groups, adult formation, or within a homeschool family since both the book and the guide are highly accessible and the information of primary importance. Each chapter corresponds to a chapter in the original book. All follow the same format. They begin with three bulleted "key points" followed by a page summary. Several related scripture references provide solid foundation for the material. A "doctrine" Having just finished facilitating the St. A "doctrine" section provides supporting material through quotes from one or more of the CCC, the Fathers, Church documents, or contemporary churchmen. A song, usually familiar or with a familiar tune provide beauty and inspiration singing along, even to yourself, is encouraged. Closing out each chapter are seven "questions for reflection and discussion" followed by recommended reading from some of Dr. These questions, developed by popular author Mike Aquilina, are really the key to this small book. Armed with this book one need not hesitate in starting a study of his own, alone or by inviting others, even if he has no intention on providing additional material or questions.
