1: The Love Suicide at Schofield Barracks - Broadway - Backstage

The Love Suicide at Schofield Barracks is informed by Linney's experiences while stationed at Schofield Barracks in Hawaii after being drafted into the Army in While on leave in Japan, Linney developed an interest in Japanese Noh Theatre and returned with the very masks that are used in th.

AP Hollywood has had its fair share of actors turned into lesbian icons - think of Barbara Stanwyck, Marlene Dietrich, Joan Crawford or Greta Garbo - but none had a dykier screen persona than Mercedes McCambridge, who has died aged After a shortlived marriage to William Fifield, among the people she worked with was Canadian actor-writer-director Fletcher Markle, whom she married in In this movie, McCambridge is superb as Sadie Burke, the hard-boiled henchwoman and lover of populist southern demagogue Willie Stark Broderick Crawford. Few actors could have taken, or convincingly merited, such a slap across the face as she receives from investigative journalist John Ireland. It was Ireland again, as a mentally disturbed man on the run from an asylum, who almost murdered McCambridge, playing a tough, singing waitress called Cash And Carry Connie, in *The Scarf* Her character is killed when she is thrown from the horse *Warwinds*, which she symbolically cannot master, in scenes enacted in masterful wide images and close-ups. Her line in boot-faced characters continued in *Angel Baby* , as the shrewish wife of evangelist promoter George Hamilton. It was about this time that McCambridge, recently divorced from Markle, with a young son to bring up, started to drink heavily. A devout Catholic, she claimed to have lost her faith. Along struggle against alcoholism ensued until she gave up drink in , becoming a leading member of the US National Council on Alcoholism, while regaining her Catholic faith. Her experiences were noted down in an autobiography, *The Quality Of Mercy*, in I knew I wanted a voice that was neutral - neither male nor female - but with both male and female characteristics. In the end, the name Mercedes McCambridge came into my head. I spoke to her on the phone, and, to my joy, she sounded exactly as she had sounded 30 years earlier on the radio. She was chain-smoking, swallowing raw eggs, getting me to tie her to a chair - all these painful things just to produce the sound of that demon in torment. And as she did it, the most curious things would happen in her throat. Double and triple sounds would emerge at once, wheezing sounds, very much akin to what you can imagine a person inhabited by various demons would sound like. It was pure inspiration. On later prints, her credit reads, not "the voice of the demon", as she would have preferred, but simply "and Mercedes McCambridge". Meanwhile, McCambridge was more active in the theatre: She also guest-starred in a number of television western series, among them *Gunsmoke* and *Bonanza*. In , a tragedy hit her family. Her son, John Markle, a high-flying economist, became involved in a financial scandal, and subsequently shot his wife and two daughters, and then himself. Even then, she had lost little of what made her one of the most memorable of supporting actors.

2: The Love Suicide at Schofield Barracks - Broadway Tickets, Reviews, News, Info, Photos, Videos

Even "Love Suicide," which is set in and deals with Vietnam, isn't strictly an anti-war play, but raises deeper and more troubling questions about tolerance, responsibility and self.

3: Romulus Linney (playwright) - Wikipedia

Overview. An Army general and his wife have committed a ritual double suicide during a Halloween party in the officers' club at Schofield Barracks, and now an official court of inquiry has been convened to investigate their shocking, and apparently senseless act.
