The pages of Scripture are filled with the miraculous and the powerful manifestation of God. The Master's Healing Presence Bible will provide people with a firm foundation of biblical truth regarding the Holy Spirit, but also Healing, Prayer, the Presence of God and Faith--all integral aspects of relationship with Him.

In addition to articles by Pastor Benny Hinn and other leaders who ministered in the anointing of the Holy Spirit, the reader will find verses and passages related to these five key themes highlighted by the easy to navigate color-coded system throughout the Bible text. Moody, George Whitefield, and others. This bible includes cross references, alternate and equivalent translations, language notes, literal translations, and short explanatory notes in the center column. In the text itself is a feature that I truly appreciate, which are old testament quotations indicated by small capital letters. I like to refer to the old testament quotes, and this immediately highlights them. The subject headings are within the chapters, not at the top of the page, which is a great help when trying to locate something. Also included beneath the subject heading are any applicable parallel passages. The typeface is listed on the box as "large print", and is dark and bold. I use Micron Pigma pens to mark my bible and they do not appear to bleed through. The particular verses of scripture are color-coded to five themes, prayer, faith, healing, holy spirit, and the presence of God. This is a useful feature when working with people or witnessing. The devotions are fantastic, and have spurred me on to read more writings by their authors such as John G. There are indexes to the devotions and the topics they cover. Of course at the end of the bible there is a decent concordance with definitions of the words, and color maps. I really enjoy using this bible, as it contains all the features that I prefer, but is not big and bulky. In my opinion, this is a great Pentecostal bible. This is one of our favorites. We love reading what the anointed evangelist through revelation knowledge have to say. You will be blessed and fulfilled. Let the Bible help you. Torrey, Kathrine Khulman, F. Bounds, Maria Woodworth-Etter, D. Moody, Martin Luther, John G. This is what some refer to as a "Rainbow Bible. For this one, passages relating to prayer are highlighted in purple, passages exposing faith in action are orange, passages for healing are green, for the Holy Spirit are yellow, and the presence of God are blue. Although the traditional, literal King James translation might be a little difficult for some readers I love it, the content is truly inspiring. The articles from the various teachers add to the Scriptures. The correlation of the color-coded passages makes comprehending and understanding them as they relate to the message of the Bible, and it makes for a wonderful reading experience. I have bad vision and can read it without glasses. If you are a fan of Benny Hinn, then I recommend this Bible. Even if you own lots of other Bibles, get this one. All in All a good Bible to have in addition with other bible translations and bible study books. Study the Word, Speak the Word. Live and trust the Word of God! Pena on Apr 04, This edition of the Bible is very inspiring and brought peace to the soul. And the commentaries are excellent. The Bible came in perfect condition and speedily. I will let my friends know as they would also like a copy. I am very pleased with the purchase. I was searching for this book at a reasonable cost and I found it on Amazon. I had been looking for this bible at a reasonable price and I did. Spurgeon and George Whitefield. It does not say that Jesus became sin itself on the Cross. Hank and Benny are both Arminians alike. There is no Crouch, Schuller, Robertson, or Copland in here. Gold Dust and Manna are dime-store magic tricks. Best Bible I ever had Reed on Apr 29, Best Bible I have ever had.
