

1: The 7 Seven Virtues

The Seven (7) Deadly Sins You don't have to be catholic or even religious, to understand the spiritual wisdom of the seven deadly sins. The only goal of Temptation is to take you from the power of the light.

It would be easy. Easy to believe that heroines are born that way, that they have an extra chromosome for courage or fearlessness. I think of a quotation by Albert Einstein: What if she just stayed with the problem longer? So here are the Seven Temptations of Andrea Constand: Cosby was not a new acquaintance, nor was he a date. Cosby, a member of the Temple Athletics Hall of Fame, was a frequent fundraiser and honored guest. In his 60s, he had positioned himself as a mentor to her, inviting her to dinner parties, and then to private dinners, at his home outside of Philadelphia. He would talk to her about basketball, her career, and spiritual beliefs. He met her family and cultivated a relationship with them. He had groomed her patiently for victimization. The night of the alleged rape, Cosby invited her over, to "offer her assistance in her pursuit of a different career. He insisted that she take all three. Constand said she was drugged. Her memory of the incident was impaired, filled with blackouts, vague impressions, and she experienced enormous disorientation when she recovered consciousness. She remembered waking up on a couch at four in the morning, her clothing in disarray and Cosby standing over her in a bathrobe. Confused and mortified, her initial response was a kneejerk, socially conditioned one: She expressed embarrassment over her disheveled state. He gave her a muffin and took her home. Four months later, she left her job and career, moved back home to Canada, and began studying to become a massage therapist. She stayed in contact with Cosby, and, several months after returning home, she took her parents to see his show at a casino in Ontario. Constand did not tell anyone for a year. This is not uncommon. She was in survival mode, in flight. What eventually brought her back to the incident was the emphasis in her massage classes on a code of ethics around touch. In January, Constand finally broke her silence and told her mother. Immediately after that, she reported the rape to the authorities where she lived. They passed the case on to the police in Pennsylvania. Three days after the report to the police, Cosby and his people began to call her. Constand and her mother stated repeatedly that all they wanted was an apology. Even Cosby admitted this. According to the filing, he told the police that she had not asked for money, "but had only asked him to apologize to Plaintiff and her mother, which he did. On the phone, not in writing. Offers of money are standard ploys for predators with resources, especially when the victim is not wealthy. He later admitted he had done this for another accuser. Constand turned it down. The District Attorney, declining to file charges, stated, "I think that factors such as failure to disclose in a timely manner and contacts with the alleged perpetrator after the event are factors that weigh toward Mr. Much exists in this investigation that could be used to portray persons on both sides of the issue in a less-than-flattering light. At this point, many victims give up, and Constand might have done that, except that Cosby began a campaign to discredit her as an extortioner. Cosby insisted that the relationship had been consensual. As a second and then third woman came forward with similar stories of being drugged and raped by Cosby, he gave a personal interview to The National Enquirer, in exchange for them killing the story of the third woman. In the interview, he described Constand in such specific detail there could be no question about her identity. This was not unusual. What was unusual was that the Cosby team also moved for a protective order that would seal not only his testimony, but that of his accusers. This move caught the attention of the Associated Press. What was Cosby attempting to hide? The AP made two separate attempts to force open the court records, and Constand sided with them. Cosby settled with the usual terms: But Cosby continued to defame Constand. The fact they are being repeated does not make them true. He stated that Cosby, in posturing for years as a "public moralist," had forfeited his right to privacy. Constand then urged the unsealing of all of the testimony from that trial, and there are several civil suits pending, and the criminal investigation. He may even go to prison. All because Constand just stayed with the problem longer. This came one month before the year statute of limitations for the case would run out. The motion contained this statement that let the whole world know that the woman who is finally bringing Cosby to justice is lesbian: Carolyn Gage is a playwright, performer, director, and activist. The author of nine books on lesbian theatre and sixty-five plays, musicals, and

one-woman shows, she specializes in non-traditional roles for women, especially those reclaiming famous lesbians whose stories have been distorted or erased from history. Her most recent musical, Babe! An Olympian Musical is available at [www. Windy City Media Group](http://www.WindyCityMediaGroup.com) does not approve or necessarily agree with the views posted below. This section contains too many or too-lengthy quotations for an encyclopedic entry. Please help improve the article by presenting facts as a neutrally-worded summary with appropriate citations. Consider transferring direct quotations to Wikiquote. May Building the Tower of Babel was, for Dante, an example of pride. Painting by Pieter Brueghel the Elder Pride Latin, superbia is considered, on almost every list, the original and most serious of the seven deadly sins: It is also thought to be the source of the other capital sins. What the weak head with strongest bias rules, Is pride, the never-failing vice of fools. Lewis writes, in *Mere Christianity*, that pride is the "anti-God" state, the position in which the ego and the self are directly opposed to God: Pride leads to every other vice: Author Ichabod Spencer states that "[s]piritual pride is the worst kind of pride, if not worst snare of the devil. The heart is particularly deceitful on this one thing. This sense of hubris could also characterize rape. The term has been used to analyse and make sense of the actions of contemporary heads of government by Ian Kershaw, Peter Beinart and in a much more physiological manner by David Owen. In this context the term has been used to describe how certain leaders, when put to positions of immense power, seem to become irrationally self-confident in their own abilities, increasingly reluctant to listen to the advice of others and progressively more impulsive in their actions. Pride is associated with more intra-individual negative outcomes and is commonly related to expressions of aggression and hostility Tangney, As one might expect, pride is not always associated with high self-esteem but with highly fluctuating or variable self-esteem. Excessive feelings of pride have a tendency to create conflict and sometimes terminating close relationships, which has led it to be understood as one of the few emotions with no clear positive or adaptive functions Rhodwalt, et al. John Gay states that "By ignorance is pride increased; They most assume who know the least. He changes good things into evil, he lays his traps. Just as a spark sets coals on fire, the wicked man prepares his snares in order to draw blood. Beware of the wicked man for he is planning evil. He might dishonor you forever. Disguise it, struggle with it, stifle it, mortify it as much as one pleases, it is still alive and will every now and then peep out and show itself; you will see it, perhaps, often in this history. For even if I could conceive that I had completely overcome it, I should probably be proud of my humility. Pride is also referred to as "pride that blinds," as it often causes a committer of pride to act in foolish ways that belie common sense. Much of the 10th and part of 11th chapter of the Book of Sirach discusses and advises about pride, hubris, and who is rationally worthy of honor. Pride is odious to both God and man; injustice is abhorrent to both of them. Sovereignty is forced from one nation to another because of injustice, violence, and wealth. How can there be such pride in someone who is nothing but dust and ashes? Once a man is dead, grubs, insects, and worms are his lot. The beginning of pride is sin. Whoever perseveres in sinning opens the floodgates to everything that is evil. For this the Lord has inflicted dire punishment on sinners; he has reduced them to nothing. The Lord has overturned the thrones of princes and set up the meek in their place. The Lord has torn up the proud by their roots and has planted the humble in their place. The Lord has overturned the land of pagans and totally destroyed them. He has devastated several of them, destroyed them and removed all remembrance of them from the face of the earth. Pride was not created for man, nor violent anger for those born of woman. Which race is worthy of honor? Those who are good. Which race is despicable? Those who break the commandments. The leader is worthy of respect in the midst of his brethren, but he has respect for those who are good. Whether, they be rich, honored or poor, their pride should be in being good. It is not right to despise the poor man who keeps the law; it is not fitting to honor the sinful man. The leader, the judge, and the powerful man are worthy of honor, but no one is greater than the man who is good. A prudent slave will have free men as servants, and the sensible man will not complain. Do not feel proud when you accomplished your work; do not put on airs when times are difficult for you. Of greater worth is the man who works and lives in abundance than the one who shows off and yet has nothing to live on. My son, have a modest appreciation of yourself, estimate yourself at your true value. Who will defend the man who takes his own

life? Who will respect the man who despises himself? The poor man will be honored for his wisdom and the rich man, for his riches. Honored when poor-how much more honored when rich! Dishonored when rich-how much more dishonored when poor! The poor man who is intelligent carries his head high and sits among the great. Do not praise a man because he is handsome and do not hold a man in contempt because of his appearance. The bee is one of the smallest winged insects but she excels in the exquisite sweetness of her honey. Do not be irrationally proud just because of the clothes you wear; do not be proud when people honor you. Do you know what the Lord is planning in a mysterious way? Many tyrants have been overthrown and someone unknown has received the crown. Many powerful men have been disgraced and famous men handed over to the power of others. Do not reprehend anyone unless you have been first fully informed, consider the case first and thereafter make your reproach. Do not reply before you have listened; do not meddle in the disputes of sinners. My child, do not undertake too many activities. If you keep adding to them, you will not be without reproach; if you run after them, you will not succeed nor will you ever be free, although you try to escape.

3: Temptations -- Greatest Hits Vol. 2 -- Reel To Reel 7 1/2 IPS Sounds Great | eBay

Excerpt from The Seven Temptations The evil agent Whom I have employed for the working out of this moral process, in this poem, may either be regarded literally, as he. Is represented, according to the popular creed; or simply, as a personification of the principle of temptation, as each.

This section needs additional citations for verification. Please help improve this article by adding citations to reliable sources. Unsourced material may be challenged and removed. February Origins[edit] Eddie Kendricks and Paul Williams started singing together in church as children. By their teenage years, they formed a doo-wop quartet in with Kell Osborne and Wiley Waller, naming themselves the Cavaliers. The group settled in Detroit where they changed their name to the Primes under the direction of Milton Jenkins. The Primes soon became well known around the Detroit area for their meticulous performances. Kendricks was already seen as a "matinee idol" in the Detroit area while Williams was well received for his baritone vocals. By , Williams was the leader of a vocal group named Otis Williams and the Siberians. The group recorded two Northern singles including "Come On" and "Alright" However, Mooch Harrell and Richard Street shortly departed from the group and the remaining members lost use of the Distant's name. Richard Street later formed another Distant's group who recorded for the Thelma label in the early s. Clockwise from top right: Members of the Distant's were acquainted with the Primes as both groups participated in the same talent shows and performed at the same public venues. Friendly rivals, the Primes were considered to be the more polished and vocally stronger group of the two. The Primes disbanded in after Kell Osborne moved to California. Kendricks agreed on the condition he bring Paul Williams with him. Otis Williams happily agreed and Kendricks and Paul Williams moved back to Detroit to join the new group. Under that name, the group auditioned for Motown in March Already impressed with some of the members after hearing session work, Berry Gordy agreed to sign the group to the Motown imprint, Miracle. However, before signing, Gordy discovered another group was using the name of Elgins. The group began tossing about ideas for a new name on the steps of the Hitsville U. The "Elgins" name re-surfaced at Motown in , when Gordy renamed a quartet called the Downbeats as the Elgins. Later that year, the Temptations began touring as part of the Motortown Revue. The group would issue eight recordings between without much success. Eventually the label and the group decided against it. In , the Temptations began working with Smokey Robinson as producer and writer. While the song failed to chart, it did eventually become a popular live performance spot for the group and particularly for Paul Williams in general. Some called the group "The Hitless Temptations" due to their lack of hits. During this time, David Ruffin began following the group around as he aspired to join them. During a local Detroit performance, Ruffin joined the group onstage and impressed the group with his vocal talent and dancing skills. After a second altercation onstage at a Christmas performance, having struck Paul with a beer bottle during a heated quarrel at an earlier gig in the middle of the year, Bryant was summarily fired from the group. As a result, David Ruffin was brought in as his replacement in January Bryant continued to perform in a number of other local groups, and died at the age of 36 in Flagler County, Florida , of liver cirrhosis on October 26, However, producer Smokey Robinson saw potential in the "mellow yet gruff" voice of David Ruffin, and thought that if he could write the perfect song for his lead, then the group could have a Top 10 hit. Over 50 years and multiple chart topping songs later, it is still their signature song to this day. After the success of "My Girl", Ruffin sang lead on the next three singles: He began pulling the group away from the ballad -based productions espoused by Robinson, toward a harder-edged and brass -heavy soul sound reminiscent of James Brown. Subsequently, Barrett Strong became the sole collaborator of Norman Whitfield. From early to mid , the Temptations went from unknown hopefuls to international stars and as a result, appeared frequently on television shows such as American Bandstand , The Ed Sullivan Show , and The Hollywood Palace. At the same time, the group began to achieve a crossover success, catering to middle America with a pop standards album The Temptations in a Mellow Mood , , the success of which resulted in performances at the famous Copacabana in New York City along with dates at other similar supper clubs. Outside of music, the Temptations were made honorary members of Phi Beta Sigma fraternity. There was a

consensus among the rest of the group that Ruffin needed to be replaced. When Ruffin missed a June engagement at a Cleveland supper club in order to attend a show by his new girlfriend, Barbara Gail Martin daughter of Dean Martin , [20] the group decided that he had crossed the line. The other four Temptations drew up legal documentation, officially firing Ruffin on June 27, Edwards and Ruffin were good friends, and at first, Ruffin went along with the changing of the guard and encouraged Edwards. Despite the group hiring extra security to keep Ruffin out, he continued to find ways to sneak into the venue and jump onstage when the group performed one of the songs he had once sung lead on. Otis Williams informed the then still-new Edwards that the group would lay him off and rehire Ruffin while in Gaithersburg, Maryland. However, when Ruffin failed to show up on time the next night for his "return" engagement, the group kept Edwards on and ceased to entertain the prospect of rehiring Ruffin. He sued Motown in October , seeking a release from the label, but Motown countersued to keep the singer from leaving and the case was eventually settled out of court. The results included two studio albums: This new style, which debuted with the Top 10 hit single " Cloud Nine " [18] in October , was a marked departure from the David Ruffin-era ballads. Psychedelic Shack includes the original version of " War ", later made famous by Edwin Starr. By the late s, he had developed a serious case of alcoholism. Having never previously consumed anything stronger than milk, he began to drink quite heavily, and it was hard to take, according to Otis Williams. Williams began traveling with oxygen tanks, [26] and the other four Temptations made valiant efforts to raid and drain his alcohol stashes. At other shows, and during most of the second half of , Street substituted for Williams on stage when he was too sick to go on. He regularly picked fights with Otis Williams and Melvin Franklin, which often became violent, and in addition, he preferred the ballad material from the earlier days and was uncomfortable with the psychedelic soul material the group was now performing. Kendricks rekindled his friendship with Ruffin, who persuaded him to go solo. Kendricks lobbied strongly in to have the Temptations go on "strike" - no performances, no recordings - until Berry Gordy and the Motown staff would be willing to go over all group finances with independent accountants. Both Kendricks and Williams then agreed that Kendricks would be leaving the group. However, Owens only played two dates with the group before he was fired for forgetting the words to his solo numbers due to nervousness. Owens meanwhile returned to the Vibrations and died in Los Angeles, California on December 6, , at the age of After his doctor declared a few weeks later that he was unable to continue performing due to medical reasons, Paul Williams quit the Temptations in May. After Williams had recovered enough to record again, he recorded two sides in for a debut solo single. However, on August 17, , Williams died in Detroit at the age of 34 from a gunshot wound, his death ruled a suicide by the Wayne County coroner. Early s[edit] In May , the Temptations finally found a permanent replacement for the first tenor position in twenty-year-old Baltimore native Damon Harris. Otis Williams, Edwards, Franklin, Street, and Harris continued recording and performing, and Norman Whitfield continued producing hits for them. During this period, the group toured with Quiet Elegance as their back-up singers. An edited seven-minute version was released as a single and became one of the longest hit singles in music history: The success of "Papa" led Whitfield to create more elongated, operatic pieces, including the Top 10 hit " Masterpiece " and several of the tracks on the resulting Masterpiece album. Tensions developed between Whitfield and the group, who found Whitfield arrogant and difficult to work with, and the group citing his habitual tardiness, his emphasis of the instrumental tracks at the expense of their vocals on many of his productions, and the declining singles and albums sales as other sources of conflict, sought to change producers. Damon Harris was fired from the group during the recording of A Song for You, as his behavior and work ethic were deemed unprofessional, [36] and his replacement was Washington, D. None of these recordings were as commercially successful as A Song for You however, and none of their associated singles entered the Billboard charts. Their two releases on Atlantic " Hear to Tempt You , and Bare Back , along with their associated singles, had failed to perform any better at Atlantic than their last handful of singles had at Motown. As a result, in , Atlantic released the group from its contract, [39] and shortly afterwards, the Temptations met once again with Smokey Robinson and Berry Gordy, who re-signed the group to Motown in Louis Price departed from the group and joined the Drifters. Dennis Edwards" who had made an unsuccessful attempt at developing a solo career during his three-year exit from the group" returned to the lineup. Two years of under-performing

singles and albums followed, including an eponymous album] with Philadelphia -based producer Thom Bell , until Motown began planning a Temptations reunion tour in Eddie Kendricks and David Ruffin agreed to rejoin the group for the new album, aptly titled Reunion , and its subsequent promotional tour. At the conclusion of the Reunion tour, Ruffin and Kendricks were dismissed, and they began touring and performing together as a duo. The five performed on Motown 25 and released the direct to video The Temptations: The album Back to Basics, released later in , was the first album featuring Ron Tyson on lead. Meanwhile, Edwards who also had his share of lead vocals on the Back to Basics album was again fired in , for missing rehearsals or showing up hungover. Ali Woodson remained with the Temptations until , when he was fired for consistent lateness. He was replaced by the again-returning Dennis Edwards. An updated version of the book was published in Edwards was fired from the group for the third and final time in late , with Woodson re-joining the lineup. Most of the Temptations, present and former, showed no ill feelings towards one another, although Otis Williams reported that Kendricks would not speak to him during the ceremony. The tour was in fact carried out, but production on the album was canceled when year-old David Ruffin died in Philadelphia after a cocaine overdose on June 1, Kendricks was diagnosed with lung cancer soon after; he continued to perform until his death on October 5, , in his native Birmingham. Street felt Williams was unsympathetic, and as a result, he left the group in after twenty-two years. His replacement was St. Louis native Theo Peoples. By the early s, bass Melvin Franklin began missing performances due to failing health and Ray Davis , former bass man of Parliament-Funkadelic , began touring as a fill-in during The group subsequently finished production on For Lovers Only , an album of pop standards featuring two tracks recorded with Melvin Franklin prior to his death. This lineup would not last, however, as Davis was diagnosed with lung cancer [43] and left shortly after completing the album. Davis died in New Brunswick, New Jersey of respiratory problems and complications of lung cancer on the evening of Tuesday July 5, The group continued as a quartet for a short time before recruiting bass Harry McGilberry , a former member of the Futures.

Find information about "the seven temptations" listen to "the seven temptations" on AllMusic.

The only goal of Temptation is to take you from the power of the light. If you learn anything from this website, please learn that. Recognizing when you are being lured into temptation is a major step towards creating a path destiny that evolves your soul and gets you to a higher spiritual level. For each sin, I have included the spiritual opposite to help keep you on the path of the light. You only evolve through your relationships, and it is these temptations that keep you from attaining higher levels. Lust Lust is usually thought of as involving obsessive or excessive thoughts or desires of a sexual and perverse nature. Lust can never be fulfilled and leads to sexual obsessions including sexual addiction, rape, and adultery. Lust is the excessive desire for sexual release. The spiritual opposite of lust is Chastity defined as sexual behavior of a man or woman acceptable to the ethical guidelines you create in your relationships. Gluttony Gluttony is over-indulgence of anything to the point of waste. The spiritual opposite of gluttony is abstinence and moderation. Greed Greed is similar to lust and gluttony in that it is a lure of excess. Greed is selfish desire and implies excessive or obsessive acquisition of money, wealth, or anything of value that results in tangible personal property. The spiritual opposite of greed is altruism, the sincere and selfless concern for the welfare of others, and charity, or love meaning an unlimited loving-kindness toward all others. Spiritual charity should not be confused with financial giving. Sloth Sloth is an action defined as lazy, failure to make decisions, and indecisiveness. It can also mean apathy which means a lack of interest or concern, especially regarding matters of general importance. Not realizing your full potential, by lack of investing energy, is an act of sloth. The spiritual opposite of sloth is action, commitment, and diligence. Wrath also known as Anger Wrath is uncontrolled and intense feelings of hatred and anger. Anger lures you into a mental state where it is impossible for you to see the truth, or accept any theory of reason. Anger is the most destructive sin because it often leads to obsessive acts of revenge and personal vigilantism without fair justice. Envy Envy is the excessive desire for something intangible that someone else has. Beauty, charm, personality, and a sense of humor are examples. Feelings of jealousy is a clear warning sign that you are being tempted. Pride also known as Vanity, and Ego Pride is excessive and unrealistic self value, also known as ego. Pride is what caused Lucifer himself to fall from heaven and become Satan, as he believed he was better than man and God. The spiritual opposite of pride is humility, or being humble, unpretentious and modesty. Demons Associated with the Seven Sins A demon is a supernatural being that is generally described as a spirit. Demons are generally accepted to be fallen angels, formerly of God. In , Peter Binsfeld paired each of the deadly sins with a demon, who tempted people by means of the associated sin.

Humility Chastity Chastity is one of seven virtues that applies to a person and to his or her sexuality. Chastity means you take your sexual desires and apply them to fit the definition of love. Contrary to popular belief, the word "chastity" does not mean "no sex. Scott Fitzgerald Chastity applies to the rules and the guidelines that you and your partner mutually set forth within your relationship. It means approaching each other with love and desire, not with an unhealthy obsession for dark and perverse sexual desires, which would be the mirror of chastity, which is lust. Moderation Moderation is one of 7 virtues that can be the most difficult to live out. Moderation means striking a balance between the things we enjoy and the things we need to do. It means we balance play, work, and family. Moderation means we focus on every relationship in our lives and try to bring each of them to a balance. The dark mirror to moderation is gluttony or the over-indulgence of all things. Charity Charity is opening your heart to the world and the universe. It means giving of yourself to someone or something in need. Charity does not mean financial giving or material giving. It can mean giving of your time, yourself, and your love. Charity that comes from your heart shows the true picture of the light of the universe. It shows that you have compassion and love for all those around you. Having the spirit and the light to give of yourself without expecting anything in return is the true meaning of charity. While charity is unselfish and giving, the dark mirror of charity is greed and the obsessive desire to have more than anyone else and to be more than anyone else. One who is greedy cannot also be loving. Diligence To be diligent is to be wise and alert in all your actions. It means to work hard with both enthusiasm and attention to detail. It means to approach a task with persistence and with decisiveness. Diligence means you are able to harness the power of the light, of the universe, and to realize your full potential as you budget your energy into the tasks set before you. Diligence is a necessary quality in this life as you face hurdle or trials set before you. Diligent people do not give up. The dark side of the mirror of diligence is sloth, or uncaring and laziness. Slothful people expect others to do everything for them. Copyright Free Spiritual Guidance. It is just as important to study the energy of the seven virtues as it is to understand the energy temptation. Balancing the energy of Yin Yang will help you attain your spiritual goals and help you create the future you wish to experience. If you are consistently impatient with another person then you feel little love towards that person. To be patient is to be enlightened by the universe and to be able to persevere under trying circumstances. Patience is to act in a manner towards others and situations without resorting to anger, frustration, or annoyance. Your level of patience is the level of trial your character can take before you begin to act in a negative manner. The dark mirror or sin to this one of 7 virtues would be anger. Anger is quick to come and slow to learn. Kind people are considerate to others and realize that kindness not only reflects the light of the universe, it also reflects the light of love within themselves. It is another example of love and harmony within yourself and your universe. The dark mirror of kindness is envy. Envy creeps up and wraps around you whispering the desire it believes you should have for the possessions of others. Humility When asked, "What are the 7 virtues? Humility is the antithesis of arrogance and pride. Those who live their lives out in humility are never boastful and never proud. Humility is being respectful of others. It allows us to place others before us at all times. Humility allows us to meet the needs of others, before meeting the needs of ourselves. The dark sin of humility is pride, vanity, and ego. All characteristics which caused the downfall of both Lucifer and man in the eyes of God.

6: Seven deadly sins - Wikipedia

Doda - The seven temptations. likes. Musician/Band.

Ferretinator In a small English town, a dead body is found by a council estate. It is up to the maverick former detective Simon Chase and his team of amateur crimesolvers to crack the mystery. The sharp English air invites an illogical sense of adventure. Something is going to happen tonight, I can feel it. Myriad bars display their heavy traffic to the world using large windows that advertise their own popularity, and the attractiveness of their regular clientele. Connie Black was no such philistine, and walked straight past the queues of people as they stood in order, before toppling slightly and having to remember where they are. Software engineering is hardly a sport, but the lonely night shifts could be so crushing on the soul that every tap of the keyboard felt like a the dull thud of a foot running a marathon to her. The only alternative had faded into obscurity long ago, and Connie doubted whether she was ever going to experience anything like it again. On the 19th of February, those doubts were quelled convincingly. As she walked further from the glowing neon of the town centre, Connie soon came across the ironically named Wellworth Estate. It was a large, sprawling complex of low rent accommodation back in its heyday, though now it was more of a large sprawling complex of low rent accommodation and dry rot. Suddenly, the air turned bitter, and Connie became fully aware of the late winter chill. She had to walk around it to get to the suburban area within which her flat was cosily squeezed â€” people dare not walk through it lest they were oblivious of the residents and their aggressive tendencies â€” for there was no shorter route. She quickened her pace, looking forward to the distant streetlights that marked home, each one a lighthouse calling ships into dock. She tried to ignore everything else: The air was so crisp because there was no humidity. It had been a dry winter, with no rain or snowfall for at least a fortnight. The light splash she tried to ignore cannot have come from a puddle. Connie traced her steps, and came across a liquid on the ground, running like a small river from an alcove in the building wall across the pavement. The light was too poor to ascertain the its colour, but it was dark, and Connie had a strong suspicion that she knew what it was. As she slowly peered around into the alcove, her greatest fear was confirmed. Stepping back and reaching into her coat pocket, she pulled out her phone and dialled. Your review has been posted.
