Usborne Beginners are colourful information books for children beginning to read on their own. Vivid, full colour illustrations and photographs on every page, accompanied by short, informative text. Developed with reading experts at the University of Roehampton. Carefully selected Internet links to exciting websites to find out more. Great reading practice for children who prefer fact to fiction. See the other books in this series. Press Reviews Very good, simple explanations of a broad range of topics and processes. Pictures, diagrams and internet links are particularly helpful. Reader Reviews Weather - Beginners My son loves this series of books, They are fun and educational, which is why I love them too. This is one of his favourites. The pictures are fantastic and although the book uses quite grown up words due to the content, the pictures make understanding easier. I am learning a thing or two reading this series with him! Turtles in hail stones, red rain and frogs and fish falling from the sky! Who would have thought a book on weather would be the first choice of a 6 year old! Websites do occasionally experience problems. If the site is still down the following day please report the problem using our contact form. We will fix the problem as soon as possible, or find an alternative link. The links in Usborne Quicklinks may vary slightly from those described in your book because when a website closes down, or we find a better site, we update the links in Quicklinks. If we remove any of your favourite sites let us know! PDF links To view and print out files in. Sound files Sound files should play on a computer, tablet or smartphone. If you have difficulty, make sure you have the most up-to-date version of your web browser, or on a desktop computer, download the latest version of Adobe Flash Player see Technical help. Make sure your speakers are switched on! For more about these programs, see Technical help.
