

1: The Villages - Florida's Friendliest Active Adult 55+ Retirement Community

Castle Combe, England. Often referred to as 'the prettiest village in England', Castle Combe in the Wiltshire Cotswolds is a picturesque little community nestled on the edge of the Bybrook River.

Mevagissey, Cornwall Many would agree that Mevagissey is one of the most beautiful examples of a Cornish fishing village. A small harbor filled with working boats surrounded by a tight bundle of houses. Another reason why Mevagissey is on our list is the charm and warmth of the Cornish residents. The village is often chosen as a filming location. Some of the scenes of the Harry Potter Movies were filmed in Lacock. The National Trust owns the entire village of Lacock in order to preserve its untouched character. Photo by Skinnyde 8. Hawkshead, Cumbria Located in the Lake District, this village offers some amazing views. If you are planning to spend the weekend hill-walking, Hawkshead would make a perfect base. You can also find a great Beatrix Potter gallery in the village. Photo by Keith Laverack 7. Eton, Berkshire Only 23 miles away from London, it is one of one of the most visited villages in all of England. Eton has a great selection of pubs and restaurants, and a great meadow near the river for picnics. Windsor castle is only a 4 minute walk away. Photo by Martin Pettitt 6. Dunster, Somerset In the heart of Dunster you can walk through a market street that has not changed in hundreds of years. This old wool town offers you also the sight of Dunster Castle and Dunster Woods, the home of some of the oldest trees in England. Another notable site is wild Exmoor, a beautiful national park, perfect for walks. Photo by heatheronhertravels 5. Dorchester, Oxfordshire One of the main sights in Dorchester is the beautiful abbey, a comparatively large church for the size of the village. Dorchester is a prime example of the villages in England. It symbolizes a clean, quiet and unspoiled ramshackle feel. Photo by shimgray 4. Avebury, Wiltshire Avebury is truly astonishing. These ancient stones are awe inspiring and incredibly beautiful. They were built thousands of years ago for reasons unknown. Photo by JohnBurke 3. Clovelly, Devon This beautiful little village is an official English heritage site. On the north Devon coast winters offer stormy days and harsh winds. While on hot summer days Clovelly may resemble a Spanish fishing village. If you have difficulties walking, you should avoid the main cobbled street. It is so steep that there are no cars, as wooden sleds are the usual way of transporting items around. Bourton-on-the-Water, Gloucestershire Through the heart of this beautiful village trickles the shallow river Windrush. There are small arched footbridges for pedestrian crossing all over the village. Another great attraction is the houses on the water, all of which are built of local yellow sandstone, making the place vibrate with a friendly ambience. Photo by Marcio Cabral de Moura 1. Castle Combe, Wiltshire An astonishing site, filled with stone houses dating back hundreds of years.

2: England Villages

Several places claim to be the largest village in www.enganchecubano.com title is disputed as there is no standard definition of a village as distinct from a town and 'largest' can refer to population or area.

This lively, cosmopolitan capital is a must see, of course, but there is more to England than booming cities and industrial centres. Instead, what makes this country truly unique are its picturesque villages. With centuries of history behind them, they remain the chosen dwelling places of many locals. If you wish to discover more about the history, architecture and mythic landscapes of England, you must inhabit the lives of the people who call it home. These villages are at once cute and intriguing, surprising and familiar, and each boasts its own distinct charms. As we move from one village to the next, we watch mountains give way to valleys, and colourful flowers pass to rocky cliffs. We gain insight into how people must have moved between villages in the past, and how these villages continue to represent warm and intimate havens nestled into the landscape.

View of Youlgrave The following article is arranged into counties, regions or areas where appropriate. We will explore the different characters of these counties to gain a sense and visual picture of village life there.

Sussex Sussex is a land of myth, legend and history. It is located in south east England, and corresponds roughly with its ancient iteration as the Kingdom of Sussex. The hominid remains found at Eartham Pitt, Boxgrove, date back around , years. Read more about the archaeological significance of this event here. Sussex is also rich in relics from the Bronze and Iron Ages. It is one of four hill forts built in Sussex. Sussex is incredibly peaceful: Read more of her thoughts on Sussex here. This beloved institution showcases years of rural British life. It is home to a collection of over fifty historic buildings, including a replica Anglo-Saxon hall house, an Edwardian tin tabernacle church and a Tudor kitchen that hosts cooking displays! As Cressida Cowell observes, we often only have access to history in the form of ruins and castles. These were the homes of royals and the elite classes. The Museum, on the other hand, shares the lives of ordinary people. The Museum hosts craft displays, too, such as blacksmithing in their Victorian smithy. Its working attractions include a sawpit shed and water mill.

Wiltshire Avebury standing stones Wiltshire is a land of chalky hills and wide valleys. Built in BCE, the Neolithic World Heritage site includes three stone circles, a long barrow burial tomb , and a processional avenue. Fascinating finds from the s archaeological excavations are on show at the museum housed in the grounds of Avebury Manor. The early 16th century Manor house was redecorated and redesigned in five different styles, exhibited within its nine rooms and parts of the garden. Avebury Manor, Wiltshire Each room reflects the way its inhabitants would have lived, and all furniture and objects were made not just for show, but to withstand ordinary use. The highlight of this house is that you, too, are invited to sit on the chairs, lie on the beds, play in the Billiard Room. The only exception to this is the Chinese wallpaper within the Georgian Dining Room, because it will be damaged if touched.

Lacock A traditional cottage in Lacock village Wiltshire is also home to Lacock: The layout and character of this well-planned medieval estate village has changed little since the 15th century. So, it provides a fascinating glimpse of village life at that time. There are fine timber-framed houses, a 13th century tithe barn, and inns with passageways and stables – survivors from the wool trade era. You might find Lacock strangely familiar. This is because it has served as the setting for many films and television series. It is well worth discovering the sites that inspired the man himself. Milton Abbas hosts an 18th century fair every two years Dorset is populated by a number of pretty villages. Its strong population reside in white-washed, thatch-roofed cottages that are postcard perfect. The stunning Milton Abbey completes the fairy-tale image, rising out of a dreamy landscape crafted by Capability Brown. The village of Corfe Castle shares its name with the ruined, limestone castle that overlooks it. The village and castle sit within a gap in the Purbeck Hills. The castle affords beautiful views across the village, which boasts cute stores and pubs. It is worth venturing to Swanage for its views of the pretty coastline. Swanage Beach is a major draw for visitors, for its sunshine and sand. As you head west, make a special stop at the Church of St. Nicholas in tiny Moreton village. Behold the exquisite etched glass windows by the artist Sir Laurence Whistler, famous for his glass engravings. But it is T. Lawrence who put Moreton on the map. View of the water at Swanage Beach Dartmoor The craggy landscapes and surreal rock formations of

Dartmoor are located in southern Devon. Doyle painted an image of the moors as grim, forbidding and dangerous. As the famous mists descend upon the peat bogs, you may feel your senses waking up. But there is no reason to fear! The moors are a dreamy landscape of tiny villages, farms, rolling hills, granite tors and wild ponies. Allow yourself to be swept up in the romance of this evocative place. Nearby Mevagissey is also proud of its history. Its museum showcases a photographic exhibition of village life in the 19th and 20th centuries. Wind your way through its narrow streets and toward the pretty twin harbour, which provides safe haven for fishing boats. The estuary forms a natural harbour which enabled the village to become an important trade centre. It has been here since , perhaps longer. In Fowey, climb aboard a boat to explore the port and harbour, or take the ferry to sleepy Polruan – a village famed for its boat building heritage. The trip from Cornwall to Devon takes in villages worth stopping for, like Port Isaac, the coastal setting for popular television series Doc Martin. Explore its nooks and crannies before continuing along the picturesque West Cornish coast. Soon enough, you will reach Clovelly – an English Heritage site. This well-preserved medieval village is managed by the National Trust and sits just within the north-eastern boundary of Exmoor National Park. In Dunster, a castle towers over the cobblestoned main street, and the Yarn Market still stands, as does the ancient tithe barn. A gentle stroll leads to a packhorse bridge and beautiful scenery. Its picturesque coastline fronts the Bristol Channel. A number of villages, some located within Exmoor National Park, form part of the Holnicote Estate, which is owned by the National Trust. Allerford, North Devon The village of Allerford boasts a picture-perfect packhorse bridge, along with a mill complete with pond and orchard. The lime-washed cottages of pretty Bossington village have tall, traditional chimneys and quaint bread ovens. The cottages at Luccombe are built of cream-washed cob, with uneven thatched roofs and wide eaves. Castle Combe is located in Wiltshire, and like Lacock, it may also appear familiar. The village cottages are exemplary Cotswold type, constructed in stone with thick walls and roofs made from split natural stone tiles. These cottages are many hundreds of years old and are listed as ancient monuments. Peaceful woodland surrounds the village, which enjoys nature at its very best. The Cotswolds is the largest. Wiltshire, Gloucestershire, Oxfordshire, Warwickshire and Worcestershire. It is a pocket of rural England that is just waiting to be explored. A series of low stone, 18th century bridges distinguish this pretty village. It is also within easy walking distance 2. Traditional mill and cottage in Lower Slaughter Religion played a significant part in the lives of rural people. A short walk in Lower Oddington village leads to St. Nicholas Church, the site of impressive and somewhat macabre medieval doom paintings. Their depictions of heaven and hell were designed to educate illiterate peasants. Once common, such wall paintings are rarely seen today. Typical store-fronts in the historic centre of Stow-on-the-Wold Stow-on-the-Wold: Stow has earned itself this expression for its position at the highest point in the Cotswolds. The market square attests to the size of sheep flocks once driven here for sale. Stow has a village green at its centre which still features stocks, or restraining devices – relics of a long-passed criminal punishment system. The church here is full of Civil War history, as it once housed Royalist prisoners. Stow is the scene of the last battle of the English Civil War. Finally, Moreton-in-the-Marsh is located in north-eastern Gloucestershire. This 13th century market town also has a history as a coaching station, prior to the establishment of the Worcestershire railway in A large portion of the Peak District National Park lies within Derbyshire, but it is also home to some truly charming villages. From a geological perspective, Derbyshire can be split into two halves. Older, Carboniferous-age rocks occur in the northern, upper county, while the southern, more lowland half is characterised by softer rocks.

3: List of the largest villages in England - Wikipedia

Muir's photographs of villages throughout England illustrate the themes explored in each chapter. I read it while reading William Cobbett's Rural Rides, and they go well together This book serves as an antidote to the romanticization of the English village.
