2: Ryan's Occupational Therapy Assistant: Principles, Practice Issues, and - Google Books

Sally E. Ryan, COTA, ROH, Retired. Sally E. Ryan, COTA, ROH, Retired is a graduate of the first occupational therapy assistant (OTA) program at Duluth, MN in She has taken extensive coursework at the University of Minnesota as a James Wright Hunt Scholar, and at the College of St. Catherine, St. Paul.

Lecture outside of classroom, it is the students responsibility to read all assigned materials prior to class. This course is set up as a flipped model. This course is intended to provide students interested in the OTA program of study with an essential introduction to the profession. This course includes interactive opportunities providing the student opportunity to obtain a feeling for the profession to determine if the practice of OT is the right professional fit. Upon successful completion of the course, each participant should be able to: Explain the history, philosophical base, values, ethics, and clinical reasoning as related to occupational therapy. Students will design and present OT knowledge creatively. Reference and explore the Occupational Therapy Practice Framework. Explain the relationship of theory and frames of reference to interventions in mental health, physical disabilities, lifespan development, and scopes of practice. Demonstrate entry-level activity analysis, assessment, treatment planning, treatment implementation and intervention processes. Students will analyze occupational performance through application of components of the OT Practice Framework Define the role of occupational therapy assistant and their relationship with the occupational therapist. Define the role of occupational therapy assistant within the healthcare setting and their role with other healthcare personnel. Explore environments that shape and affect the practice of occupational therapy; social, political and economic. Understand that occupational therapy is a lifelong profession, one that requires commitment and dedication. Understand and demonstrate entry-level documentation. The student will utilize a basic SOAP documentation format, generate professionally formatted reporting of observed occupational performance. Introduction to Occupational Therapy 5th ed. Sladyk, Karen and Ryan, Sally E. Borcharding, Sherry and Morrealse, Marie J. American Occupational Therapy Association, Inc Occupational Therapy Practice Framework: Domain and Process 3rd Edition.
