History Materials Time allotment for every subject will depend on your proficiency on subjects. If you are strong in science, then you would spend less time in science and invest more time in subjects in which you are weak. Try attending online test on regular basis, like, daily after completing a topic attend an online test to your ability. Identify your weakest in the subject and devote more time to that topic. You should know your strong subjects and your weak areas. The key success is to make strong subjects stronger and to make the weak ones moderate or average. Time management is an important factor in a competitive exam like TamilNadu Public Service Commission. It can really help you remember a lot of important information during exams. Make sure you have revised the entire syllabus of your exam at least two to three times before your exam. So whatever topic you study just check your knowledge by testing yourself with sample online test. All of this matters a lot. One of the worst things you could do while preparing for the exam is studying one tough subject after the other. If you have been doing this for a while, then you will forget a lot during the exam. Do not study one tough subject with no gaps in between. If you are studying General English, general science and Mathematics, then make sure to start off with Mathematics then move on to General English and finally study general science. This will really help you to prepare for exam in a much better way. Make sure you are studying enough. Keep yourself up to date with the current affairs. Read newspapers daily and take notes it will be easy to revise. Attempting mock test and revising previous year question papers helps you to develop a better plan for the exam and identify your mistakes. Time is the most crucial factor in determining your success in exams, so act wisely during your examination. Working hard is extremely important if you are really planning on doing well in your exam. It can really help you a lot score a good cut off mark. So make sure daily you are spending at least minimum six hours on studying. You should have a good study material for exam preparation. It will easy to learn from a study material rather than text books. In there will be detailed questions and answers for all the subjects in study material. You should refer more text books to gain knowledge about a subject in depth. This may waste your precious time. Here we have the best study material for TamilNadu Public Service Commission group2 exam preparation. This study material is organized with topic wise questions for all the subjects.
