

1: Annual Report | United Way of Lincoln and Lancaster County

The United Way of Tarrant County is pleased to provide funding for the Lena Pope Early Learning Center to help change the lives of children like Steven. The North Central Texas Chapter of the Alzheimer's Association recently came to the aid of a mother with Alzheimer's and the daughter who now takes care of her.

Beginning Net Assets 36,, Note: The above figures represent unaudited totals for United Way of Greater Cincinnati, including campaign and other sources of income and corresponding expenses. Kevin has guided the Volunteer Connection team to allocate its resources to high-priority initiatives and strategies, and has also been instrumental in aligning Leadership Council members in order to best apply their skills and talents to work on target voluntarism goals and initiatives. In this role, David was responsible for speaking on behalf of the program to Campaign Cabinet volunteers, meeting with relevant decision-makers among our corporate partners, and attending various Ambassador activities throughout the campaign. David also served on the Campaign Cabinet, and worked with corporate leadership throughout Greater Cincinnati to secure their continued support of United Way. They were instrumental for building the groundswell of support needed to ensure a successful ballot initiative, Issue 44, passed to ensure all Cincinnati children have strong start and a strong future. These four individuals led a diverse, member committee that broadened the base of support among cross sector constituents, developed recommendations to begin the quality preschool operation, and assured equitable participation among community-based and public school preschool programs. Hall Award for Promoting Diversity Shakila has displayed exemplary community leadership around diversity and inclusion in her role as the President of the Islamic Center of Greater Cincinnati. Ahmad is also committed to educating Greater Cincinnati about the Muslim community. She leads weekday tours of the Islamic Center for non-Muslim visitors and leaders. Westheimer Award Merwin Mer has dedicated over 30 years of service to United Way in numerous leadership capacities, including a long-time member of the Foundation Board; , and serving as Chair from His service on the United Way Board of Directors spanned 22 years beginning in , and serving as Chair from He is one of two youth representatives on the Steering Committee and has shown great courage and a willingness to contribute. They welcomed participants and helped provide a youth voice and perspective to the Summit. This volunteer position includes serving on the Fifth Third Internal Campaign Cabinet, with a focus on Young Professional efforts around the campaign. Her leadership and organization of community service events has resulted in thousands of hours volunteered each year at these United Way partner agencies. In his work with PCW, Bill served as a member of the Northern Kentucky Advanced Manufacturing Workforce Development Coalition and helped to crystalize the direction and ensure that it was in sync with Skyward and other efforts in Northern Kentucky. He has also served on the PCW Partners Council to help make connections and broker relationships with key decision makers in Northern Kentucky. She was an exemplary leader of that effort in terms of helping to set direction, bringing all interested parties together, creating plans and setting priorities. She went above and beyond the call of duty, putting in a countless number of hours and really helped PCW get off to a good start and have the Coalition aligned with other efforts with the Kentucky Chamber and other groups in Northern Kentucky. Rhonda has also been involved with the campaign, and in she became the first woman to Chair the Northern Kentucky Campaign. Craig is able to easily and effectively communicate and align the United Way message to key community leaders. He built a coalition of community leaders and business insiders to spread the word about many United Way initiatives. VITA builds financial stability in our community by helping low and moderate income working families file their taxes and get eligible refunds and credits like the Earned Income Tax Credit " which is the best bi-partisan anti-poverty program in the country focused on helping working people. A group of about 20 key volunteers " called site coordinators " make this program possible. Site coordinators study and become experts in tax law and IRS rules. Each year this group leads almost volunteers in our region and these volunteers prepare over 9, tax returns.

2: Annual Report - United Way Fox Cities

Every day, and in all corners of the world, people look to United Way for lasting solutions to local problems. We are a vehicle for volunteers, donors and advocates who seek to change lives and communities through service, collaboration and impact.

Beginning Net Assets 34,, Note: She demonstrated her passion about United Way and its mission, steadily persevering in her leadership. Impact positioned UWGC for a new era of impact and relevance and provides the organization with every opportunity to achieve its ambitious mission: Valarie led the development of a bold plan that sets out to achieve long-term, measurable, community-level goals with emphasis on the Bold Goals for Our Region in Education, Income and Health, the building blocks for a better life for all. The group has partnered with People Working Cooperatively, a United Way agency partner, to locate the veterans and fund the ramps in the region. Operation Ramp It Up has now expanded into a national effort with plans for building ramps throughout the country. Van has offered his time, expertise and political capital on behalf of children and low-income families in Kentucky. Van has provided the consistent, steady leadership that will bring about lasting change in communities and individual lives. He employs his personal reputation among legislators and lobbyists to advance the United Way public policy agenda on behalf of early care and education issues. He is both generous and steadfast in his dedication to advancing our system change goals. He develops the training program, training and certifying more than volunteer tax preparers per year from multiple corporations. His role enables United Way to engage many more qualified volunteers and have allowed EITC to help hardworking taxpayers on a larger scale. Carri is strategic in her approach, focusing on engaging more companies to align and coordinate with partners in order to increase the number of donors in our community. Her results have helped create lasting change for all in Northern Kentucky in the areas of education, income and health. With her leadership and foresight, Toyota became the first corporate investor in the Pre-K Works initiative in Erlanger-Elsmere. She understands that, as a region, we must work together to succeed together, intentional about creating lasting change and making an impact. Toyota has made lasting change and that has been possible in part by dynamic individuals like Carri Chandler. Developing Resources As the chair of the Herbert R. She demonstrates her commitment by serving as a mentor to one of the L. The Society consists of three components: Following the successful launch, the group focused on early childhood education, and developed three volunteer projects and a networking dinner. Collaborating with key leaders of several other area Hispanic organizations, the group held the Hispanic Community Volunteer Day, likely the first and largest gathering of Hispanic volunteers in our region. More than individuals spent a day at multiple sites in Price Hill and the success of the event resulted in a major corporate sponsorship for a event. Believing a unique voice and tailored message broadens and deepens the reach of United Way, Bernie and Tillie sought to enhance the benefits of the existing Leadership Giving Societies. Both have spent countless hours making presentations at various company campaigns, delivering the larger United Way message and the HLS message. They understand the big picture of United Way and put big ideas behind their beliefs. He also was on the select group of volunteers that helped influence the final Agenda for Community Impact. He brings his past experience and knowledge to neighborhood work, understands the complexity of community and has a deep appreciation for resident involvement in efforts to make neighborhoods better "and the need to be inclusive on the journey. With more than partners, PCW has achieved national recognition as an effective collective impact initiative. He joined PCW on the "ground floor" as it built the strategic plan, recruited Partners Council members, and began implementation. He has been a tremendous advocate and champion for the work of PCW in the community. He is a champion for United Way and an ambassador for BOLD, with a keen eye for new opportunities and strategic planning. All the children move from entering the program with below-average language arts skills to leaving with average or better skills. Because literacy skills are often a determining factor in school and career success, the CAAG group is changing outcomes for a lifetime.
