My other eBooks allowed me to use on all my devices. I often switch from desktop to laptop, to iPhone. Something to think about if you thought this eBook would bring convenience. Additionally, Kindle can read this book but only by using native speaking software. Other eBooks I have read sections naturally. Content of this book is great. Adams on Dec 28, Exactly the same as the 7th edition. Got a brand new book in speedy time. By Laura Conklin on Jun 28, Got a brand new book in speedy time. Used this for an intro to information systems class. Well set up with page numbers next to vocabulary words and a summary at the end of each chapter. Davey on Apr 08, Well written book. Great if your not a tech person By Lorac on Oct 11, Not a tech person by any means. This was very, very well written. Glad I brought it instead of renting so I can reference it in the future. Five Stars By Kristen Hutchinson on Oct 25, The book arrived in great shape, very easy to read pages, loved all the diagrams. Purchased for a friend and she loves it.
