We serve many areas across the united states Related songs Against All Odds "Against All Odds is a song by English drummer and singer-songwriter Phil Collins, recorded for the soundtrack to the film of the same name. It is a power ballad in which its protagonist implores an ex-lover to "take a look at me now", knowing that reconciliation is "against all odds" while considering it worth trying. The single reached number two in the United Kingdom and peaked at number one on the Billboard Hot in the United States, a first for Collins. The song has been covered by several singers, some versions of which have been successful in both the US and UK markets. One of the most notable versions was the pairing of Mariah Carey and the boyband Westlife, whose single peaked at number one in the United Kingdom in September As McLachlan explained on VH1 Storytellers, the song is about the destructive ways people choose to escape hardships in their lives. McLachlan said that writing it was easy and "a real joyous occasion. She said that she identified with the feelings that might lead someone to use heroin: It remained at the top ten for nineteen weeks, and for twenty-nine weeks in the top Billboard Hot , it was a critical success for her that helped establish her as a respected new artist, and subsequently her album sold extremely well. The single was also a hit internationally and reached Top 10 in several countries. Clocks "Clocks" is a song by British alternative rock band Coldplay. It was written by all members of the band for their second album, A Rush of Blood to the Head Built around a piano riff, the song features cryptic lyrics of contrast and urgency. The song also won the Grammy Award for Record of the Year. Beautiful "Beautiful" is a song by American singer Christina Aguilera, taken from her fourth studio album, Stripped. A pop ballad, "Beautiful" was written and produced by Linda Perry. Lyrically, it discusses inner beauty, as well as self-esteem and insecurity issues. Aguilera commented that she put "her heart and her soul" into the track, which she felt represented the theme of Stripped. The song peaked at number two on the Billboard Hot in the United States, where it was certified gold for , units shipped. It has since been covered by numerous performers and has proved to be a commercial success most recently for English singer-songwriter Adele. The Curse of the Black Pearl. It is featured on the soundtrack album of the film and is used at the beginning of the credits for the film. Breakaway "Breakaway" is a pop song recorded by American singer Kelly Clarkson. After being deemed unsuitable for the album, it was passed to Clarkson to be recorded as a soundtrack for the film The Princess Diaries 2: Clarkson, who was finishing her second studio album at that time, recorded "Breakaway" to tide her fans over until the first single from her new album was released. It achieved the 1 spot in the U. On December 31, , it became the first song ever to sell 2 million digital copies in the US. Billboard called the song "one of the great discoveries of the year" and the top One Hit Wonder of the s. In an April 15, interview with the Minneapolis Star Tribune, Bareilles explained that the song is about the music business and, more specifically, the struggles of being an artist with a record contract: It was written by all members of the band for their fourth album, Viva la Vida or Death and All His Friends , and was released as the second single from the album. On the album, this song segues directly into the next track, "Violet Hill". The lyrics to the song contain historical and Christian references, and the track is built around a repeating string section in unison with a digital processed piano with a timpani background. It is roughly translated as "Lovely Sweet One". Although the word "cielo" means sky or heaven, it is also a term of endearment comparable to sweetheart or honey. Sometimes the song is known by words from the refrain, "Canta y no llores" or simply the "Ay, Yai, Yai, Yai" song. Commonly played by mariachi bands, it has been recorded by many artists in the original Spanish as well as in English and other languages. Even though the song talks about the "Sierra Morena", a mountain range in the south region of Spain, in recent decades it has come to be widely known as a theme song for Mexico, based in the Spanish background of the country, particularly at international events, like the FIFA World Cup. The single has been successful on Christian radio, reaching the top spot on the Hot Christian Songs. The couple met in on the set of his video for "Stereo". They were then married on September 14th, According to lead singer, pianist, and songwriter Isaac Slade, the

song was composed and influenced by his experiences from working as a mentor at a camp for troubled teens. Chopsticks "Chopsticks" original name "The Celebrated Chop Waltz" is a simple, extremely well known waltz for the piano. Allen, whose brother was a music publisher, was supposedly only sixteen when she composed the piece, with arrangements for solo and duet. Raised in Wyomissing, Pennsylvania, she moved to Nashville, Tennessee, at the age of 14 to pursue a career in country music. Her third single, "Our Song", made her the youngest person to single-handedly write and perform a number-one song on the Hot Country Songs chart.
