History The ,year-old Venus of Willendorf may depict a woman wearing a woven hat. While there are not many official records of hats before BC, they probably were commonplace before that. The , year old Venus of Willendorf figurine may depict a woman wearing a woven hat. He was found wearing bearskin cap with a chin strap, made of several hides stitched together, essentially resembling a Russian fur hat without the flaps. Hats were commonly worn in ancient Egypt. Many upper-class Egyptians shaved their heads , then covered it in a headdress intended to help them keep cool. Ancient Mesopotamians often wore conical hats or ones shaped somewhat like an inverted vase. Hats as an indicator of social status: Other early hats include the Pileus , a simple skull-like cap; the Phrygian cap , worn by freed slaves in Greece and Rome which became iconic in America during the Revolutionary War and the French Revolution , as a symbol of the struggle for liberty against the Monarchy ; and the Greek petasos , the first known hat with a brim. Women wore veils, kerchiefs, hoods, caps and wimples. He wore a pointed cap made of sheepskin and wool, fastened under the chin by a hide thong. Clement , the patron saint of felt hatmakers , is said to have discovered felt when he filled his sandals with flax fibers to protect his feet, around AD. The Fourth Council of the Lateran required that all Jews identify themselves by wearing the Judenhut "Jewish hat" , marking them as targets for anti-Semitism. In the Middle Ages, hats for women ranged from simple scarves to elaborate hennin , [12] and denoted social status. Structured hats for women similar to those of male courtiers began to be worn in the late 16th century. Top-hat , peaked cap , Borsalino , bowler hat Sweden, early 20th century. In the first half of the 19th century, women wore bonnets that gradually became larger, decorated with ribbons, flowers, feathers, and gauze trims. By the end of the century, many other styles were introduced, among them hats with wide brims and flat crowns, the flower pot and the toque. By the middle of the s, when women began to cut their hair short, they chose hats that hugged the head like a helmet. All guests in the Royal Enclosure must wear hats. Some new hat collections have been described as "wearable sculpture. Notable Belgian hat designers are Elvis Pompilio and Fabienne Delvigne Royal warrant of appointment holder , whose hats are worn by European royals. Ancient Greek statue of a lady with blue and gilt garment, a fan and a sun hat, from Tanagra , c. Paris millinery shop, Hat fashions have sometimes been the subject of ridicule. This cartoon by Ion Theodorescu-Sion , which first appeared in a Romanian publication, satirised the popularity of mushroom hats. New York City , A large crowd of people, almost all wearing hats. Family-owned hat factory in Montevarchi , Italy, date unknown. Unlike most other clothing, hats were not strictly rationed in wartime Britain and there was an explosion of adventurous millinery styles.

Where Golfers Buy Their Pants: And Other Collected Cartoons by Steve Moore From golf-course gridlock to tips on completing a foursome, Steve Moore has left no stone unturned in this collection of outrageously funny golf cartoons.

Four men played a round of golf one day. Three of them headed off to the first tee, while the fourth went into the clubhouse to take care of the bill. The three men started talking, and as men so often do, began bragging about their sons. The first man told the others, "my son is a homebuilder and he is so successful that he gave a friend a new home for free. The first man mentioned to him, "We were just talking about our sons. How is yours doing? His last three boyfriends gave him a house, a brand new Mercedes and a stock portfolio. The Perfect Shot Sometimes things you say can be taken the wrong way A man stood over his tee shot for what seemed an eternity; looking up, looking down, measuring the distance, figuring the wind direction and speed, and it was driving his partner absolutely nuts. Just hit the blasted ball. I want to make this a perfect shot. Three friends always wanted to play golf on a Saturday afternoon, but it was made almost impossible by the demands of their wives. One day, after many failed attempts, they finally got together on the golf course and were waiting at the first tee when the first friend said, "I had to buy my wife a diamond necklace to get to play today!!! The smartest of the three said, "It was easy, when I got up this morning I looked her straight in the eye and asked, "Golf course or Intercourse? A couple went golfing one day at a very exclusive course lined with million dollar homes. On the third tee, the husband cautioned, "Honey, be careful when you drive. The husband cringed, "I warned you to watch out! A man reclining on the couch asked, "Are you the people that broke the window? Actually I want to thank you. What do you think? Both satisfied each other repeatedly, and afterwards, the genie rolled over and looked at the wife and asked, "How old are you and your husband? Thirty-five years old and both you idiots still believe in genies? The Bee Sting Once again be careful of how you say things The husband ran quickly back to the clubhouse, looking for a doctor. A young man is out on the golf course and he takes a high speed ball right in the crotch. Writhing in agony, he falls to the ground. When he finally gets himself to the doctor, he says "How bad is it doc? It should be okay next week. Believe it or not, this was the first time that her new husband had ever seen them. She said to him, "You will be the first, no one has ever touched these breasts before. A husband and wife were out playing golf one day. They tee off and one drive goes to the right and one drive goes to the left. The wife finds her ball in a patch of buttercups. She grabs a club and takes a mighty swing at the ball. She hits a beautiful second shot, but in the process she hacks the hell out of the buttercups. Suddenly a woman appears out of nowhere. Each time you eat butter you will become physically ill to the point of total nausea. The golfer thought that this was rather odd, but being set on having a good round, he lined himself up once again to tee off, but right in the middle of his backswing a man in a white coat ran out of the woods and asked him if he had seen a naked lady running past. The man in the white coat said thanks and soon he disappeared into the woods on the other side of the tee. For a third time the golfer prepared to hit the ball, when all of a sudden another man in a white coat came out of the woods, and he was carrying a five gallon bucket of sand. The man asked the golfer if he had seen a man in a white coat come through her chasing a naked lady. The man said "thanks" and started to run off into the woods himself, when the golfer stopped him and asked him what was going on. The man explained to the golfer, "You see, we work at a sanitarium that backs onto the golf course. Every now and then that girl gets away and, all she wants to do is get naked and make love. You see, I caught her the last time!! A keen golfer is playing in a competition match with a friend, and the friend is ahead of him by a couple of strokes. The golfer says to himself: Several holes later his friend is starting to take the lead again, and the man mumbles to himself: The golfer needs yet another eagle to win. He says nothing this time, but miraculously, the same stranger moves to his side and says, "Would you be willing to give up the rest of your sex life to win this match? As the golfer walks back to the club house, the stranger walks alongside and says to him, "You know, I have really not been fair with you, because I did not tell you who I am. Here Harold tells us what he learned about golf No, no, a

tee is a little thing about the size of your pinky finger. Well, you stick it in the ground and put your balls on top of it. How do play golf sitting down? I always thought you stood up and walked around. You are standing when your ball is on the tee. Well folks, Harold thought that was stretching a little thing too far, and he said so. Harold thought "I suppose I could, but he was damned if he was going to". No, I am the old fashioned type. Do you know how to hold your club? Well after 50 years, Harold thought he should have some sort of idea, and told him so. Mike said to take his club in both hands. Then he said, you swing it over your shoulders. He asked him "how do you hold your club? Then Mike said, "when you are on the green. Then you take your putter With it, you put your ball in the hole. Harold corrected him, "you mean the putter. The flag will go up. That would be just my luck, thought Harold.
