

1: Saving money versus spending your money freely

Open the pages of this book to learn: how you can turn allowance into more money, what a budget is and how one might help you with your allowance, and what questions you should ask yourself before spending your allowance.

He had no regrets, and as fate had it, he got to enjoy his money just in time. People remember what he did with his money and now smile. Now I am thinking, what if I died tomorrow? Would I have any regrets about being strict with my money and not living the full life I could. Am I living life to the fullest or I am caught up in the day to day need for money? Should I be spending my money more freely if I need to, or should I still save it for a rainy day. Why should you save money? We should save money for the just incase as the economy is unstable. We should save money because it is hard to earn. We should save money because money breeds money. Why should you spend money? You might die tommorrow and you cannot take it with you. You might miss out on some great experiences. Money is the be all and end all of life. Will spending or saving money make you happy? This is a questions I often ask myself. Should we be spending money and having a bit of fun, as we work hard for it, or should we be saving it? Everything costs so much money now days. Even to give your family a simple camping holiday is not cheap any more. Really what can you do? Just simple living costs probably take all of your money anyway. Are we in a catch 22? I started out with one website as a hobby and now have over I see the potential to make money from everything I set eyes on but what is the point of making money if you do not know how to manage it? We can learn about money together!

2: How to Teach Money Management for Independent Living with Autism - Autism Awareness

The money saving commentator Skint Dad suggests a more affordable option would be to save simply a penny more each day; 1p on the first day, 2p on the second and so on throughout the year until.
